THE BIG ONES

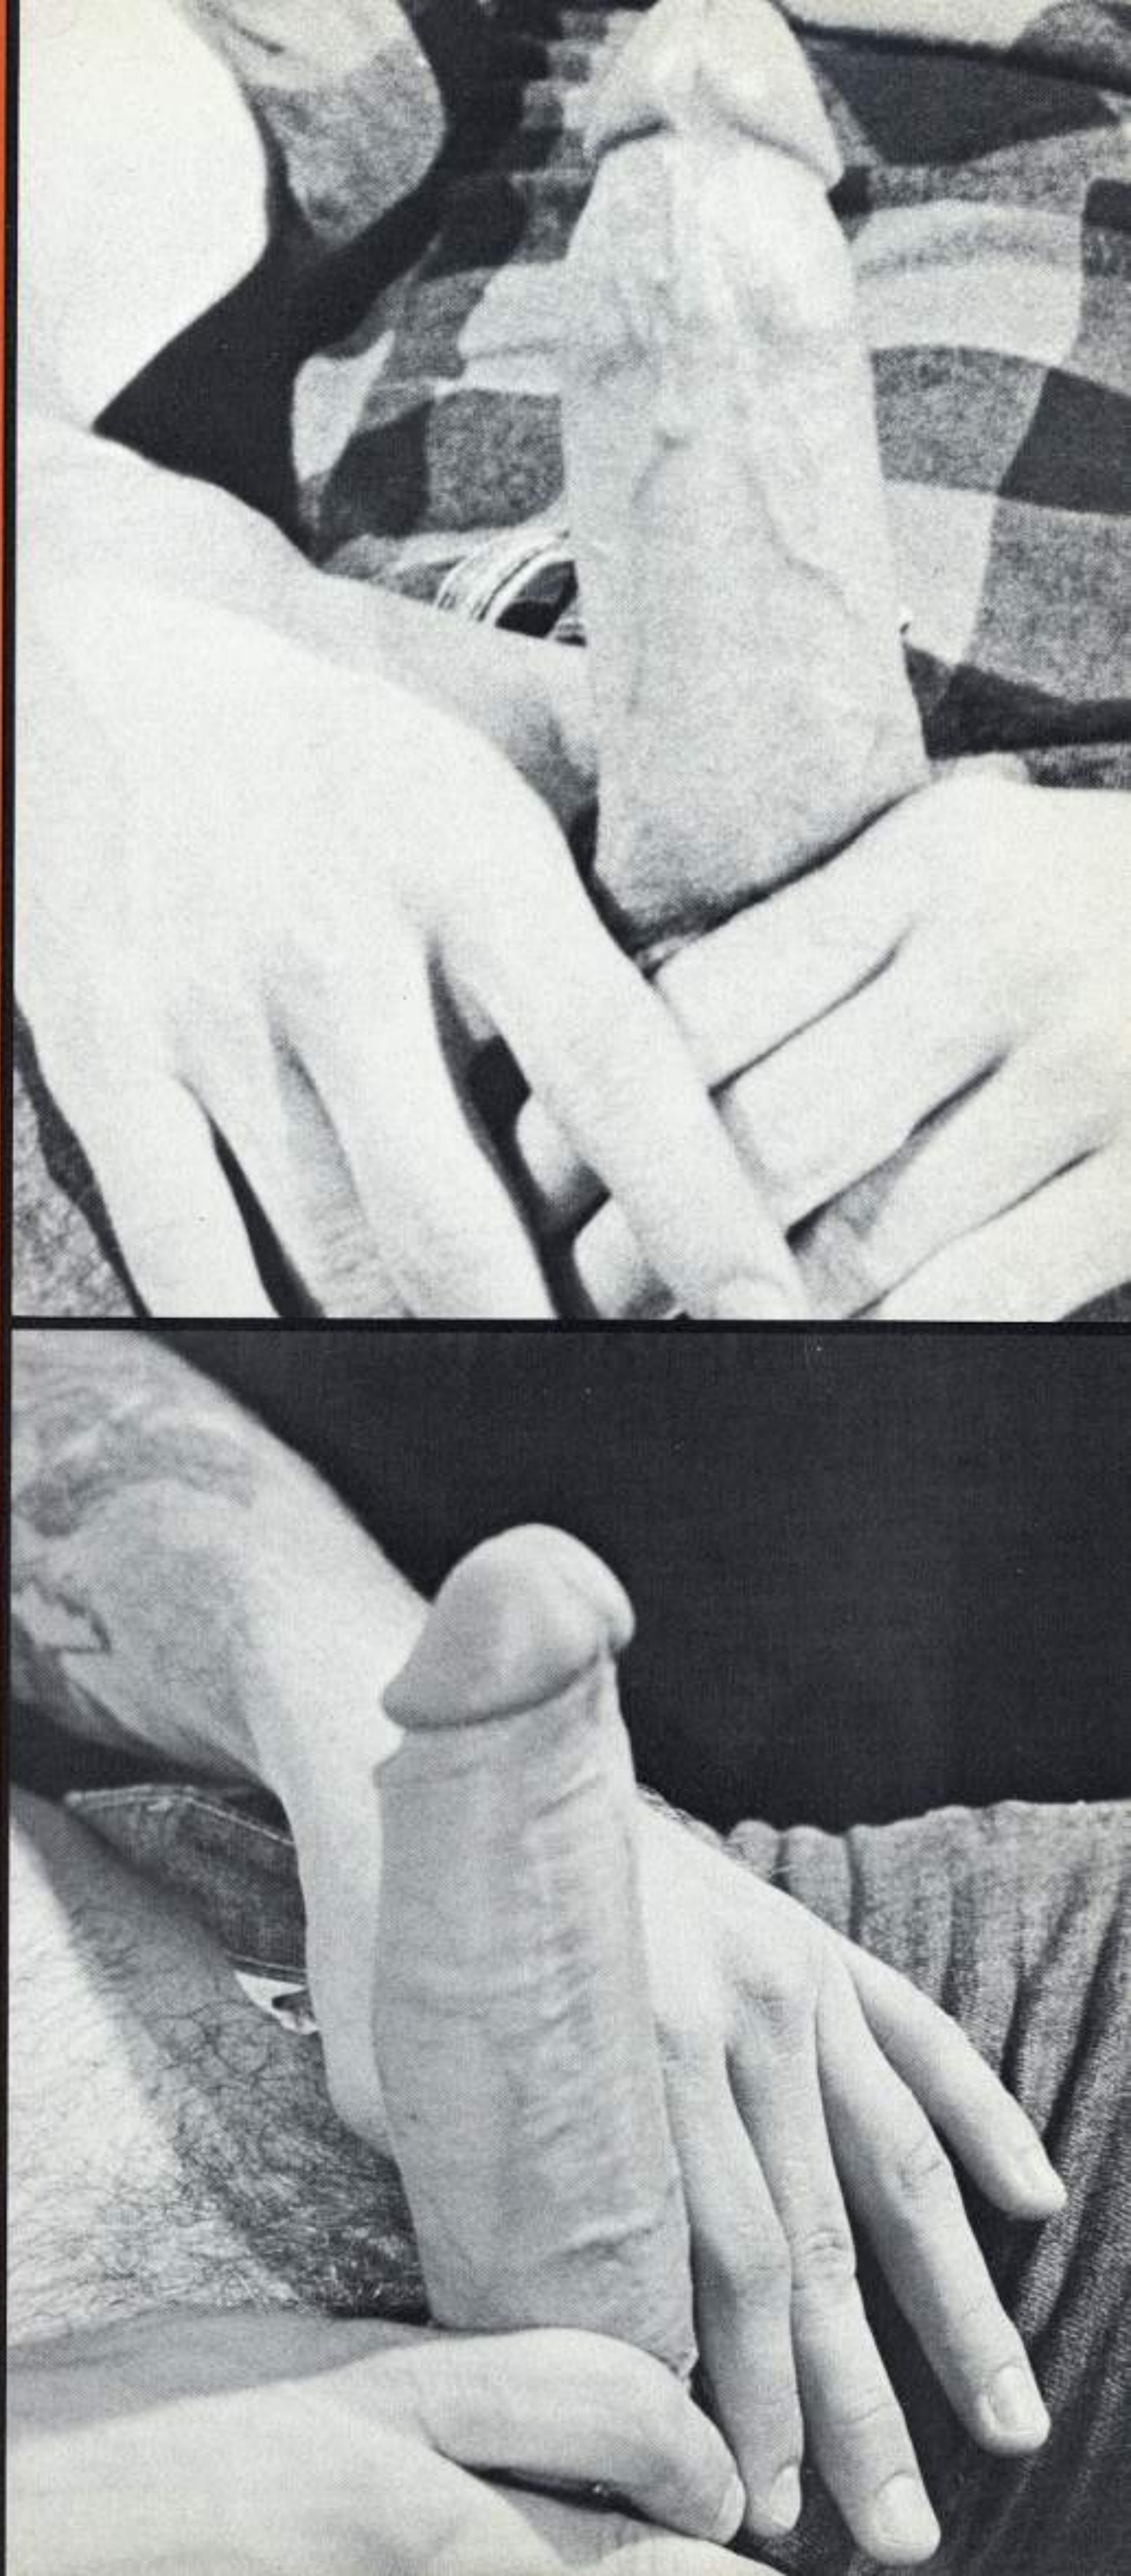
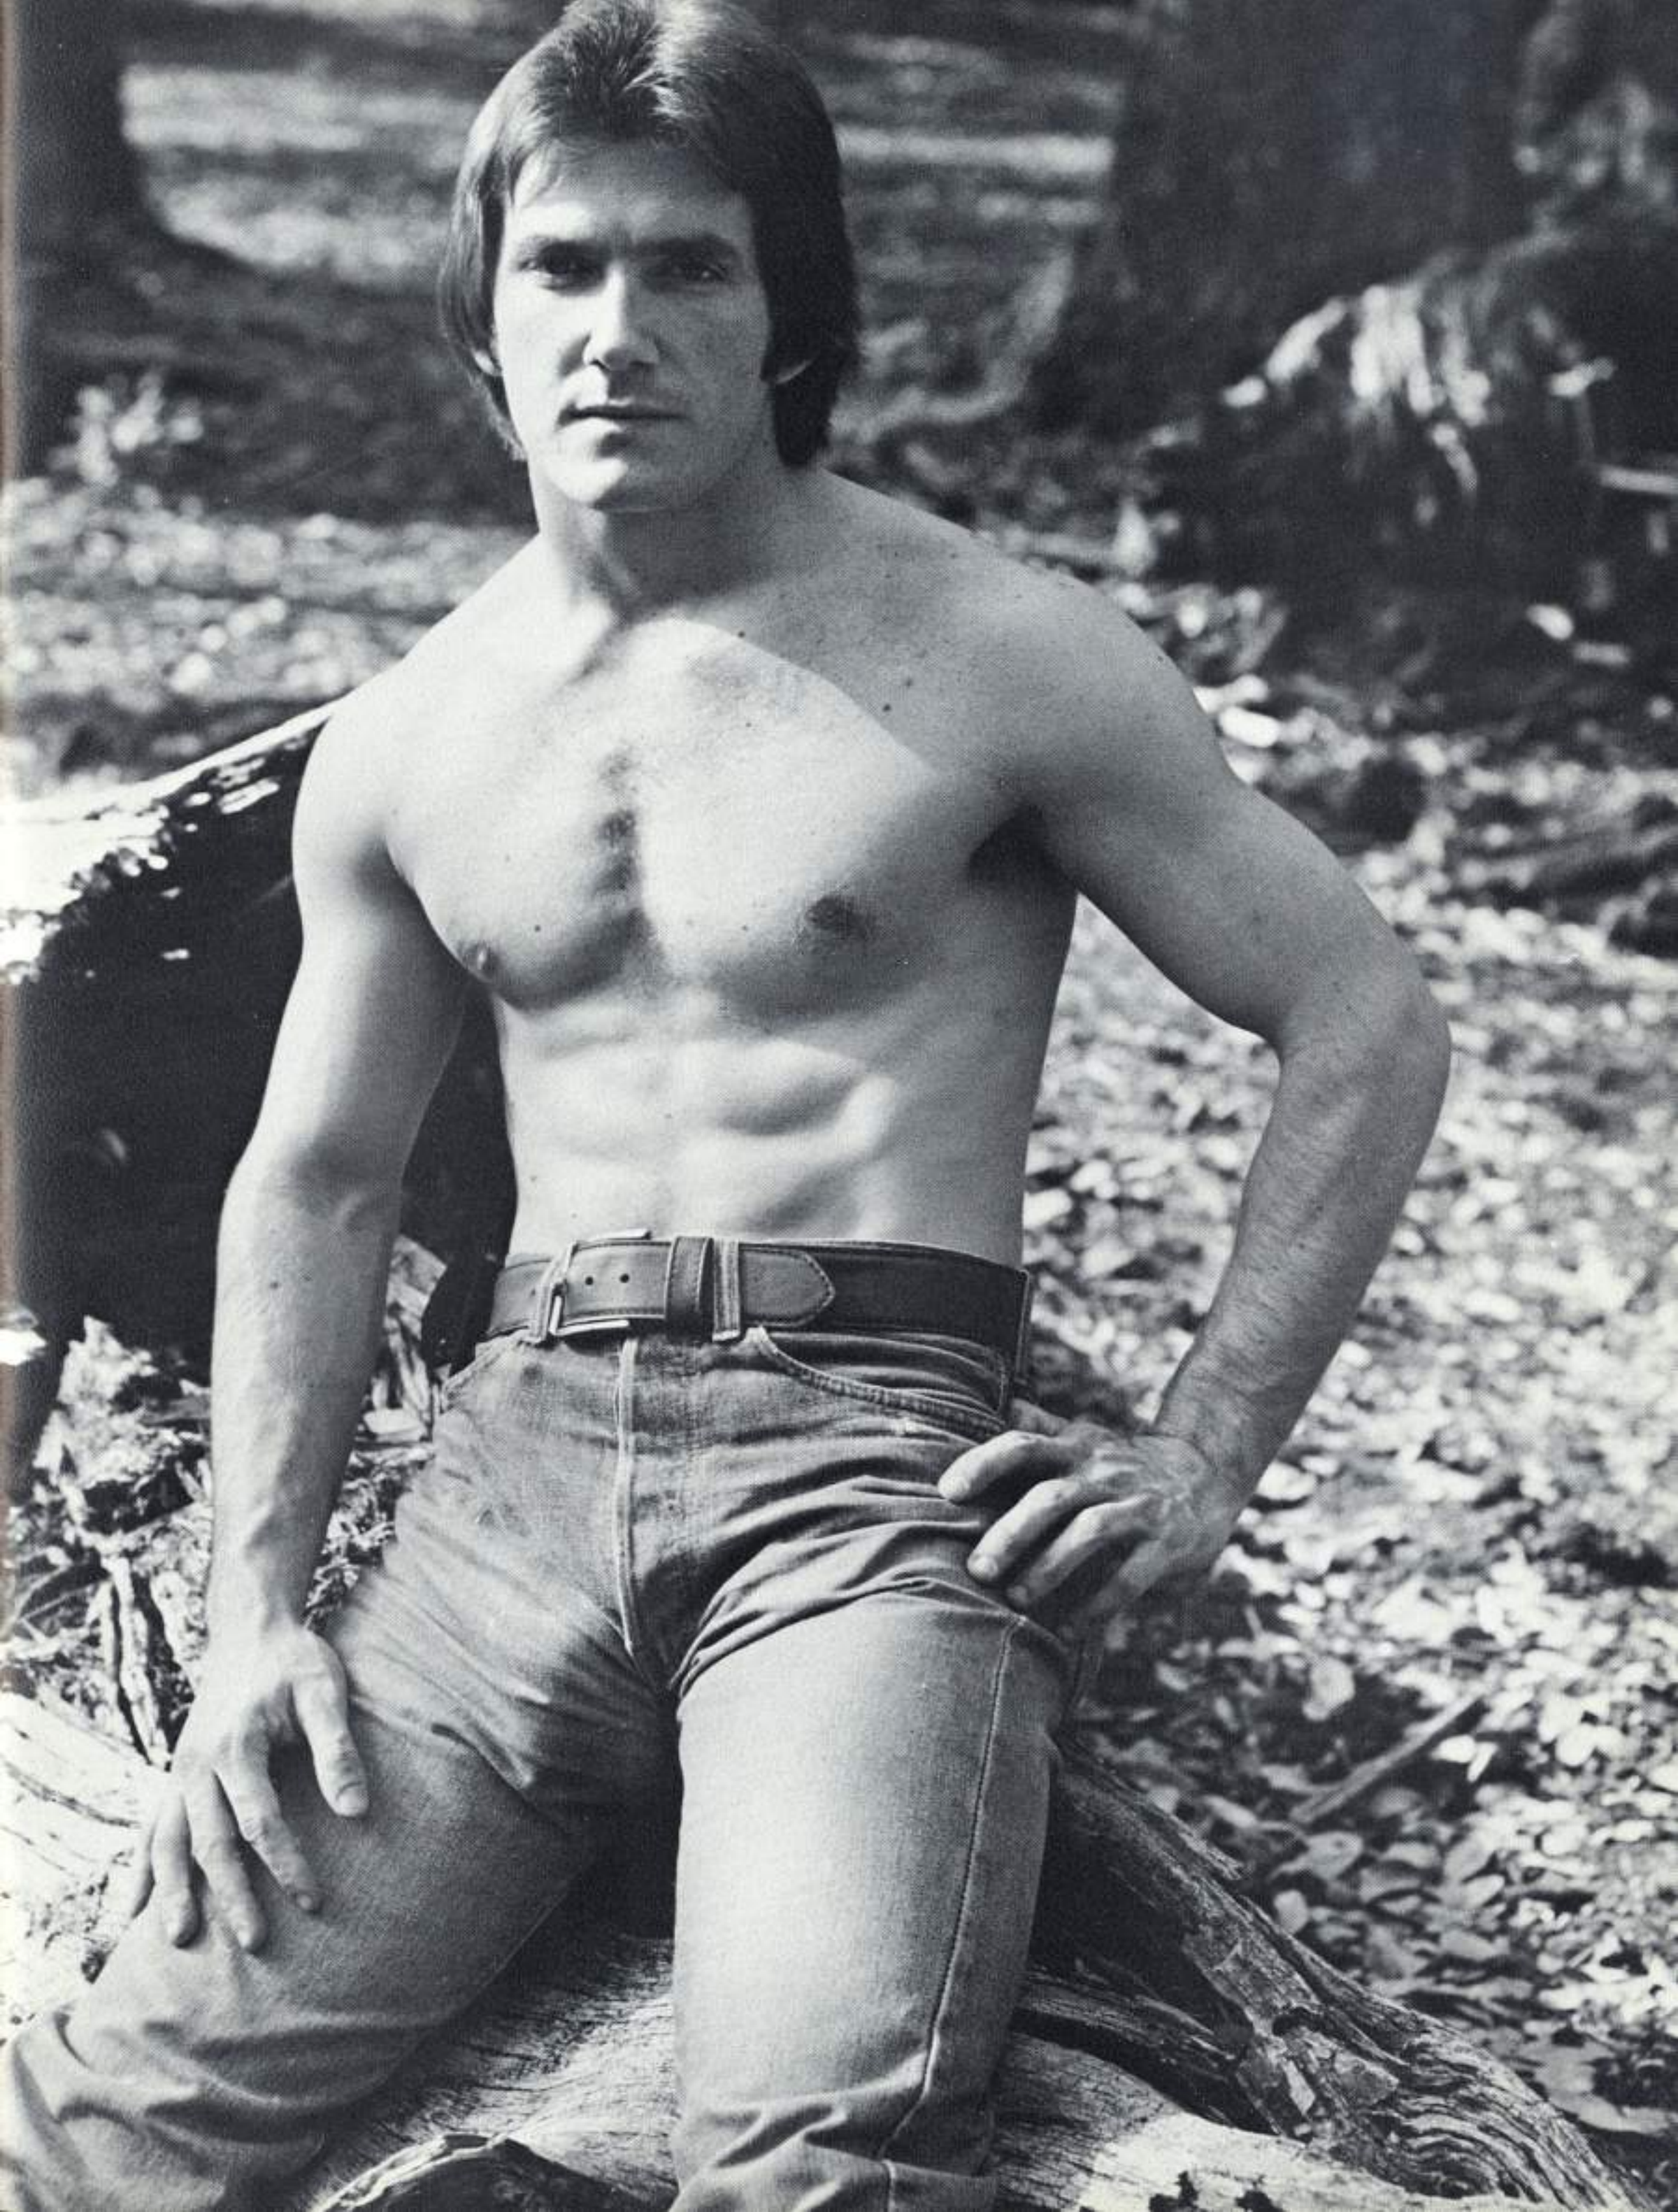
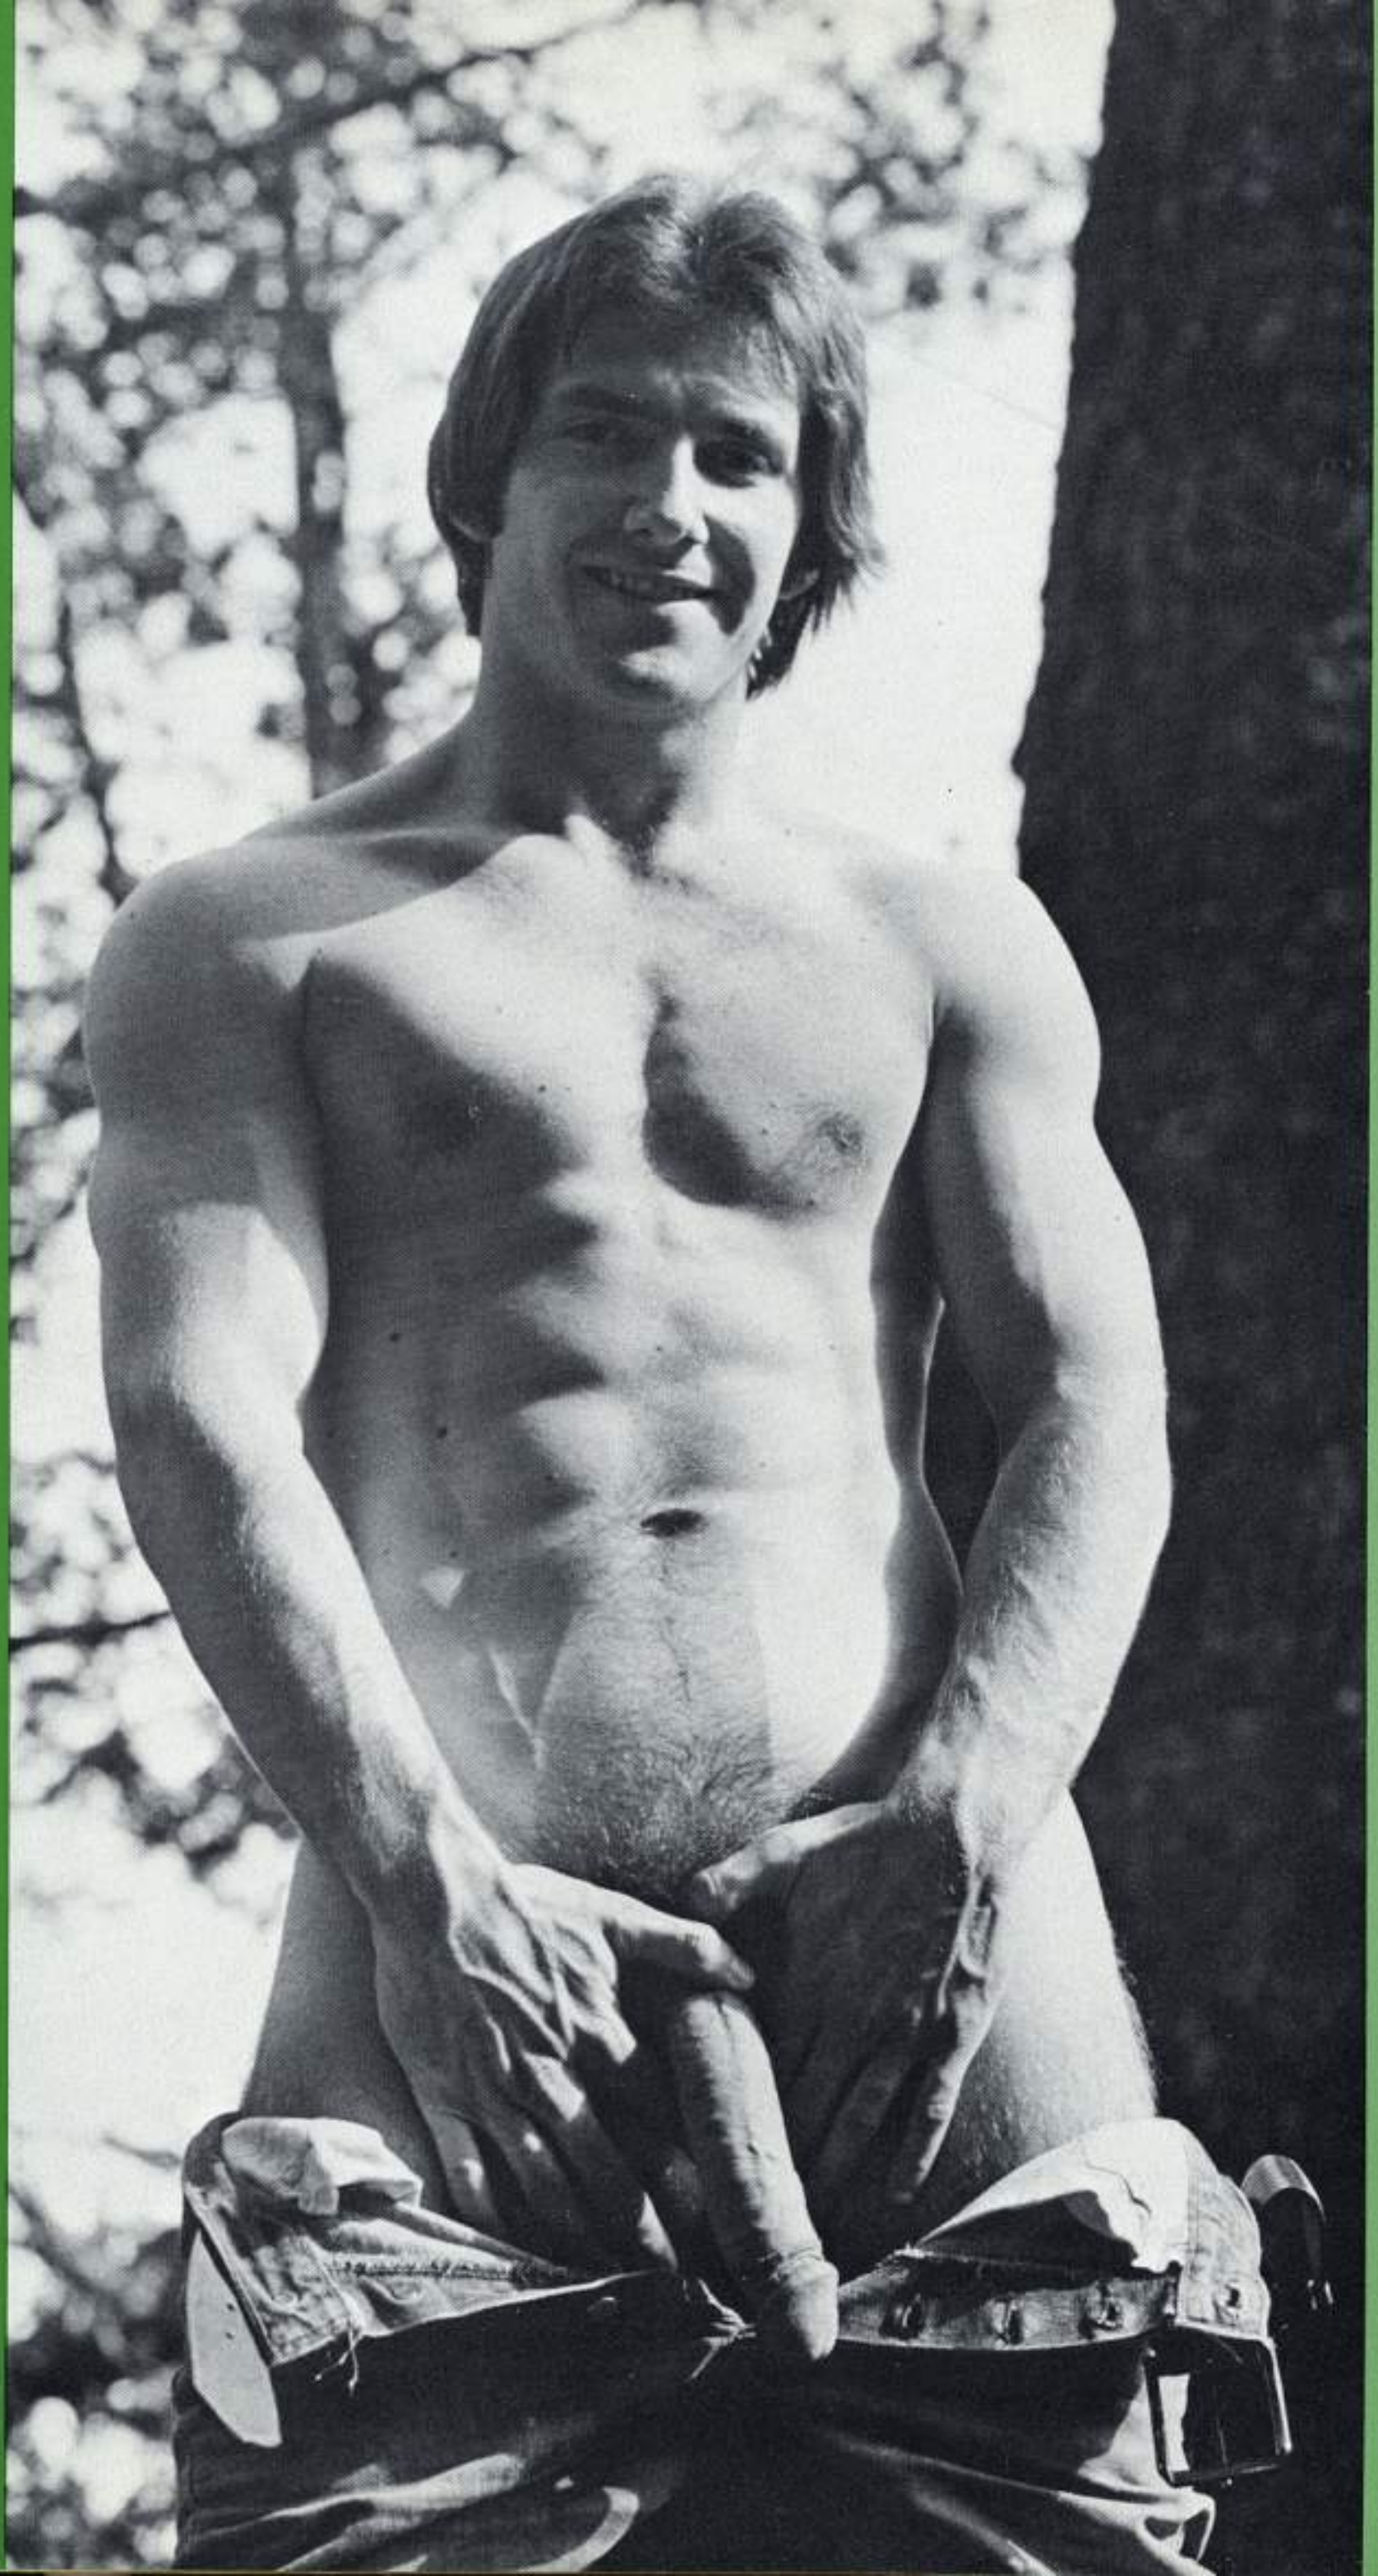
Griffin International proudly presents "THE BIG ONES" Drawing from our large collection of photographs we have selected and would like to introduce to you, greatly endowed Griffin models with exceptionaly beautiful male physiques. "THE BIG ONES" is pubiished solely for your enjoyment and appreciation of the male physique and is not intended to arrouse the prurient interests of anyone.

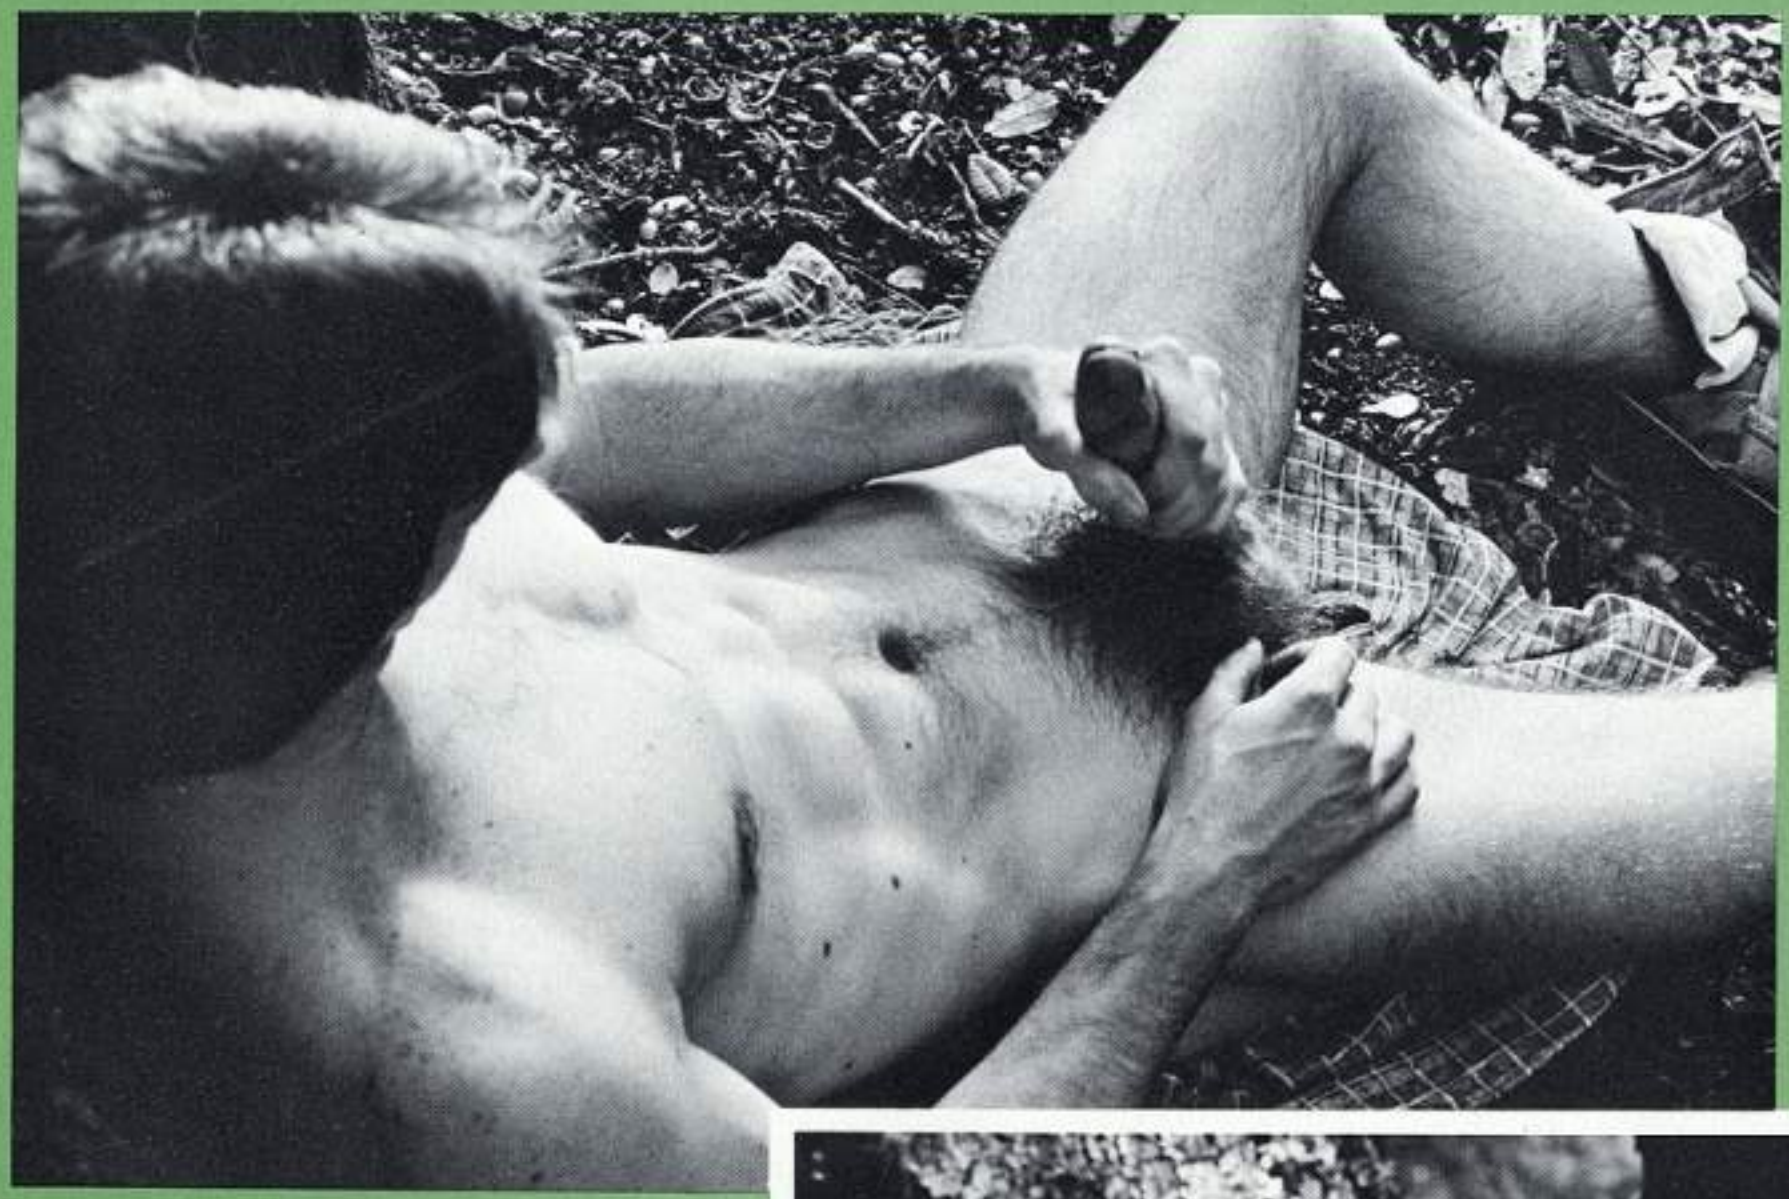


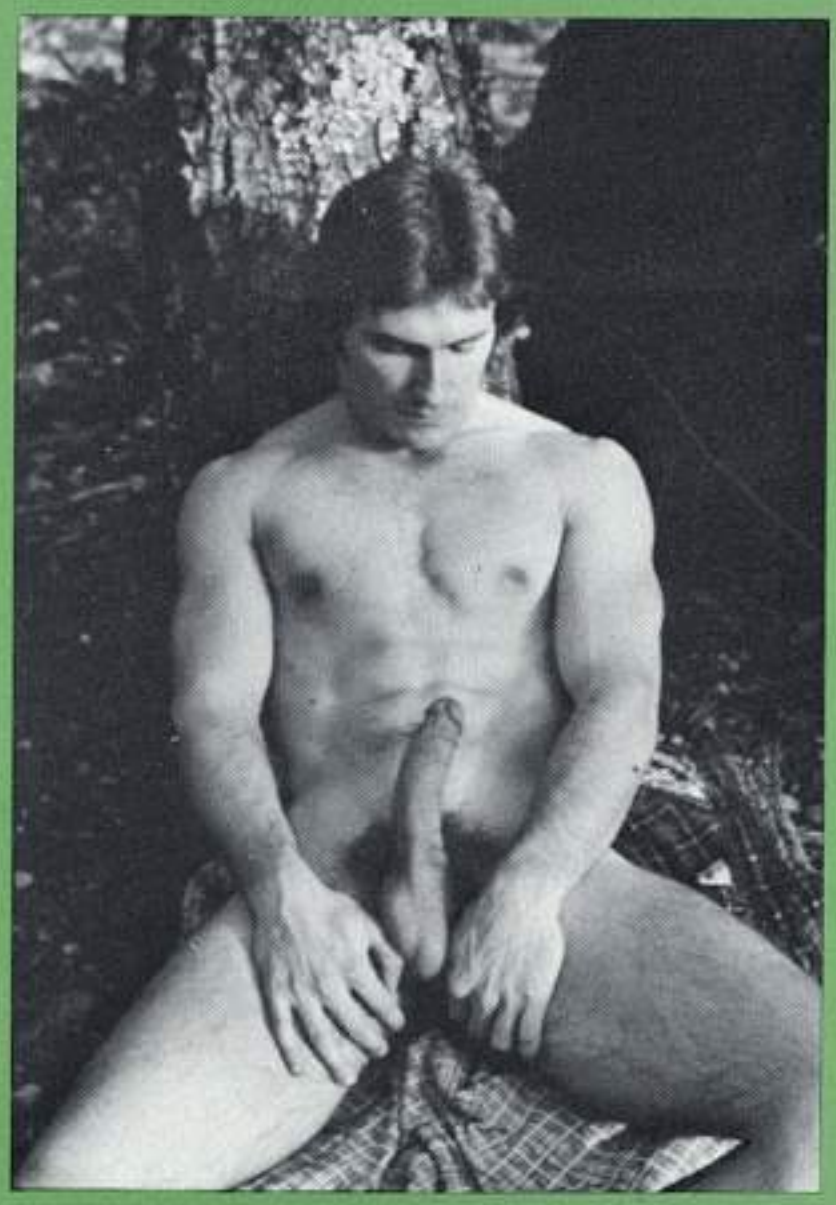
DAVID PETERS

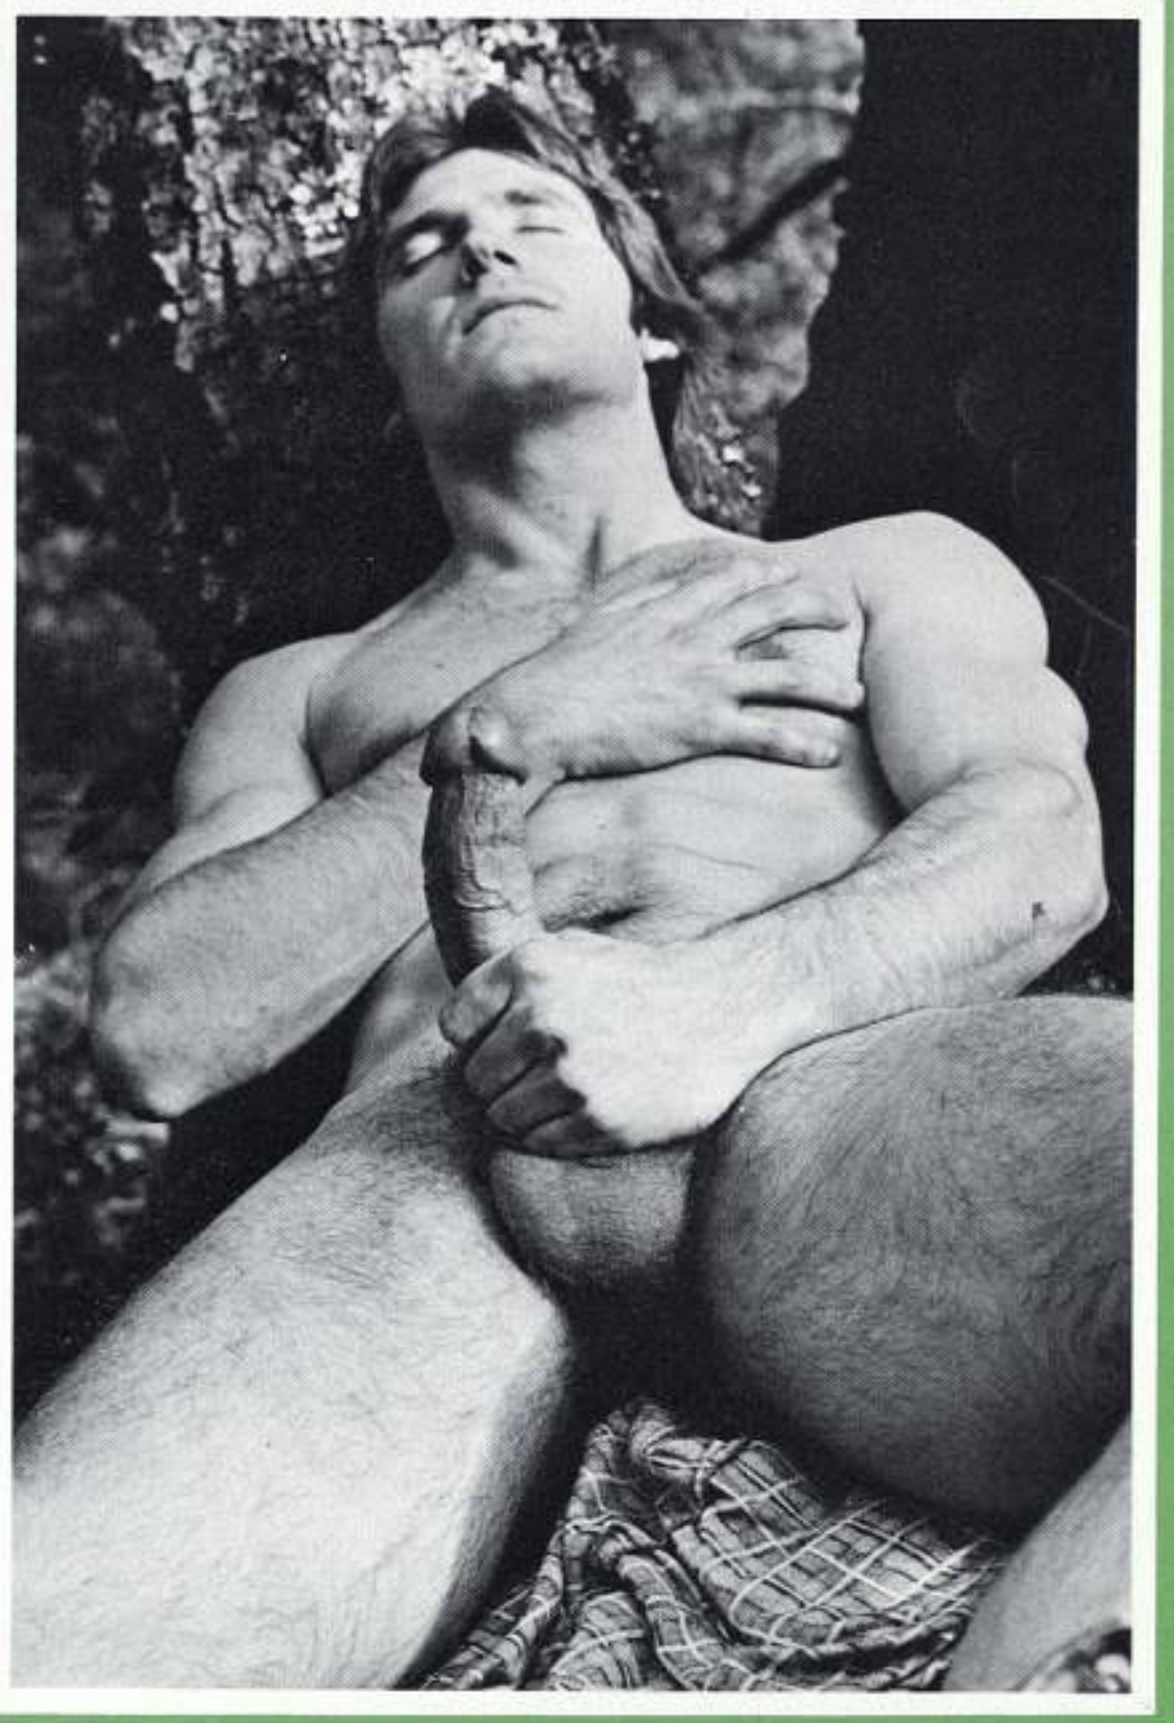
A ruggedly handsome and well-built young man, a peaceful forest setting, a sensual self arousal, culminating in an abundant and vigorous orgasm in a combination that is bound to put this guy at the top of everybody's list.

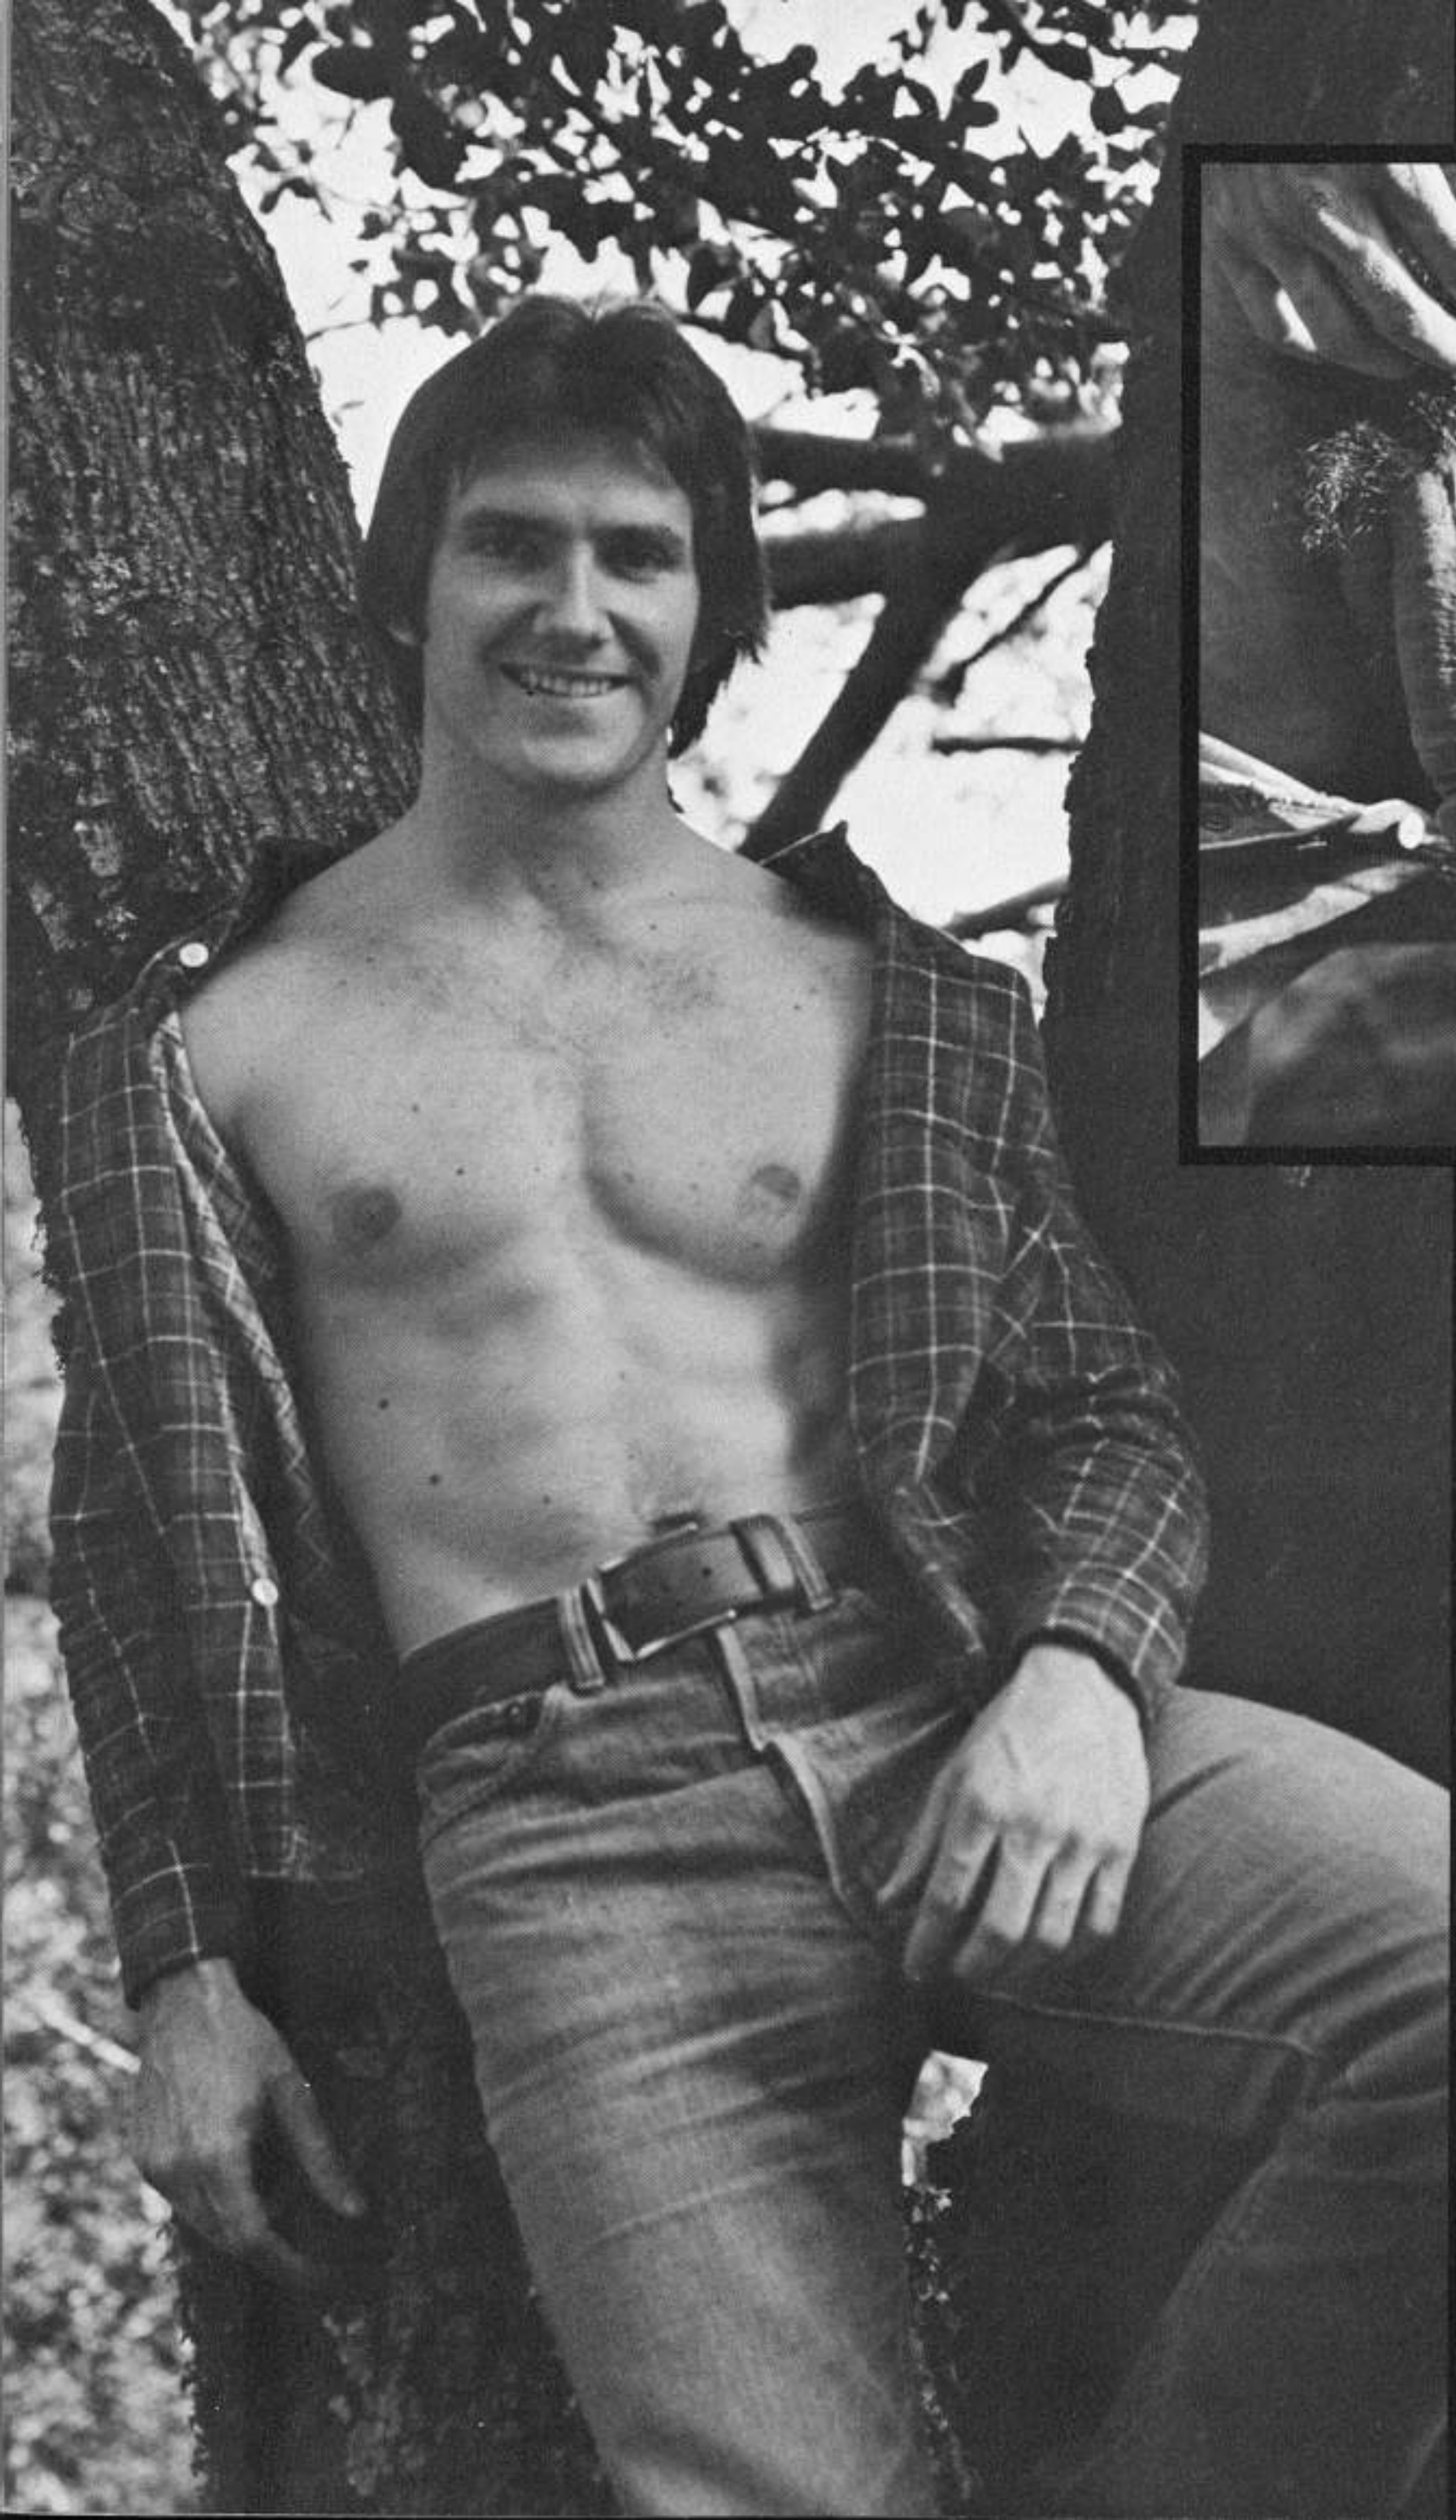


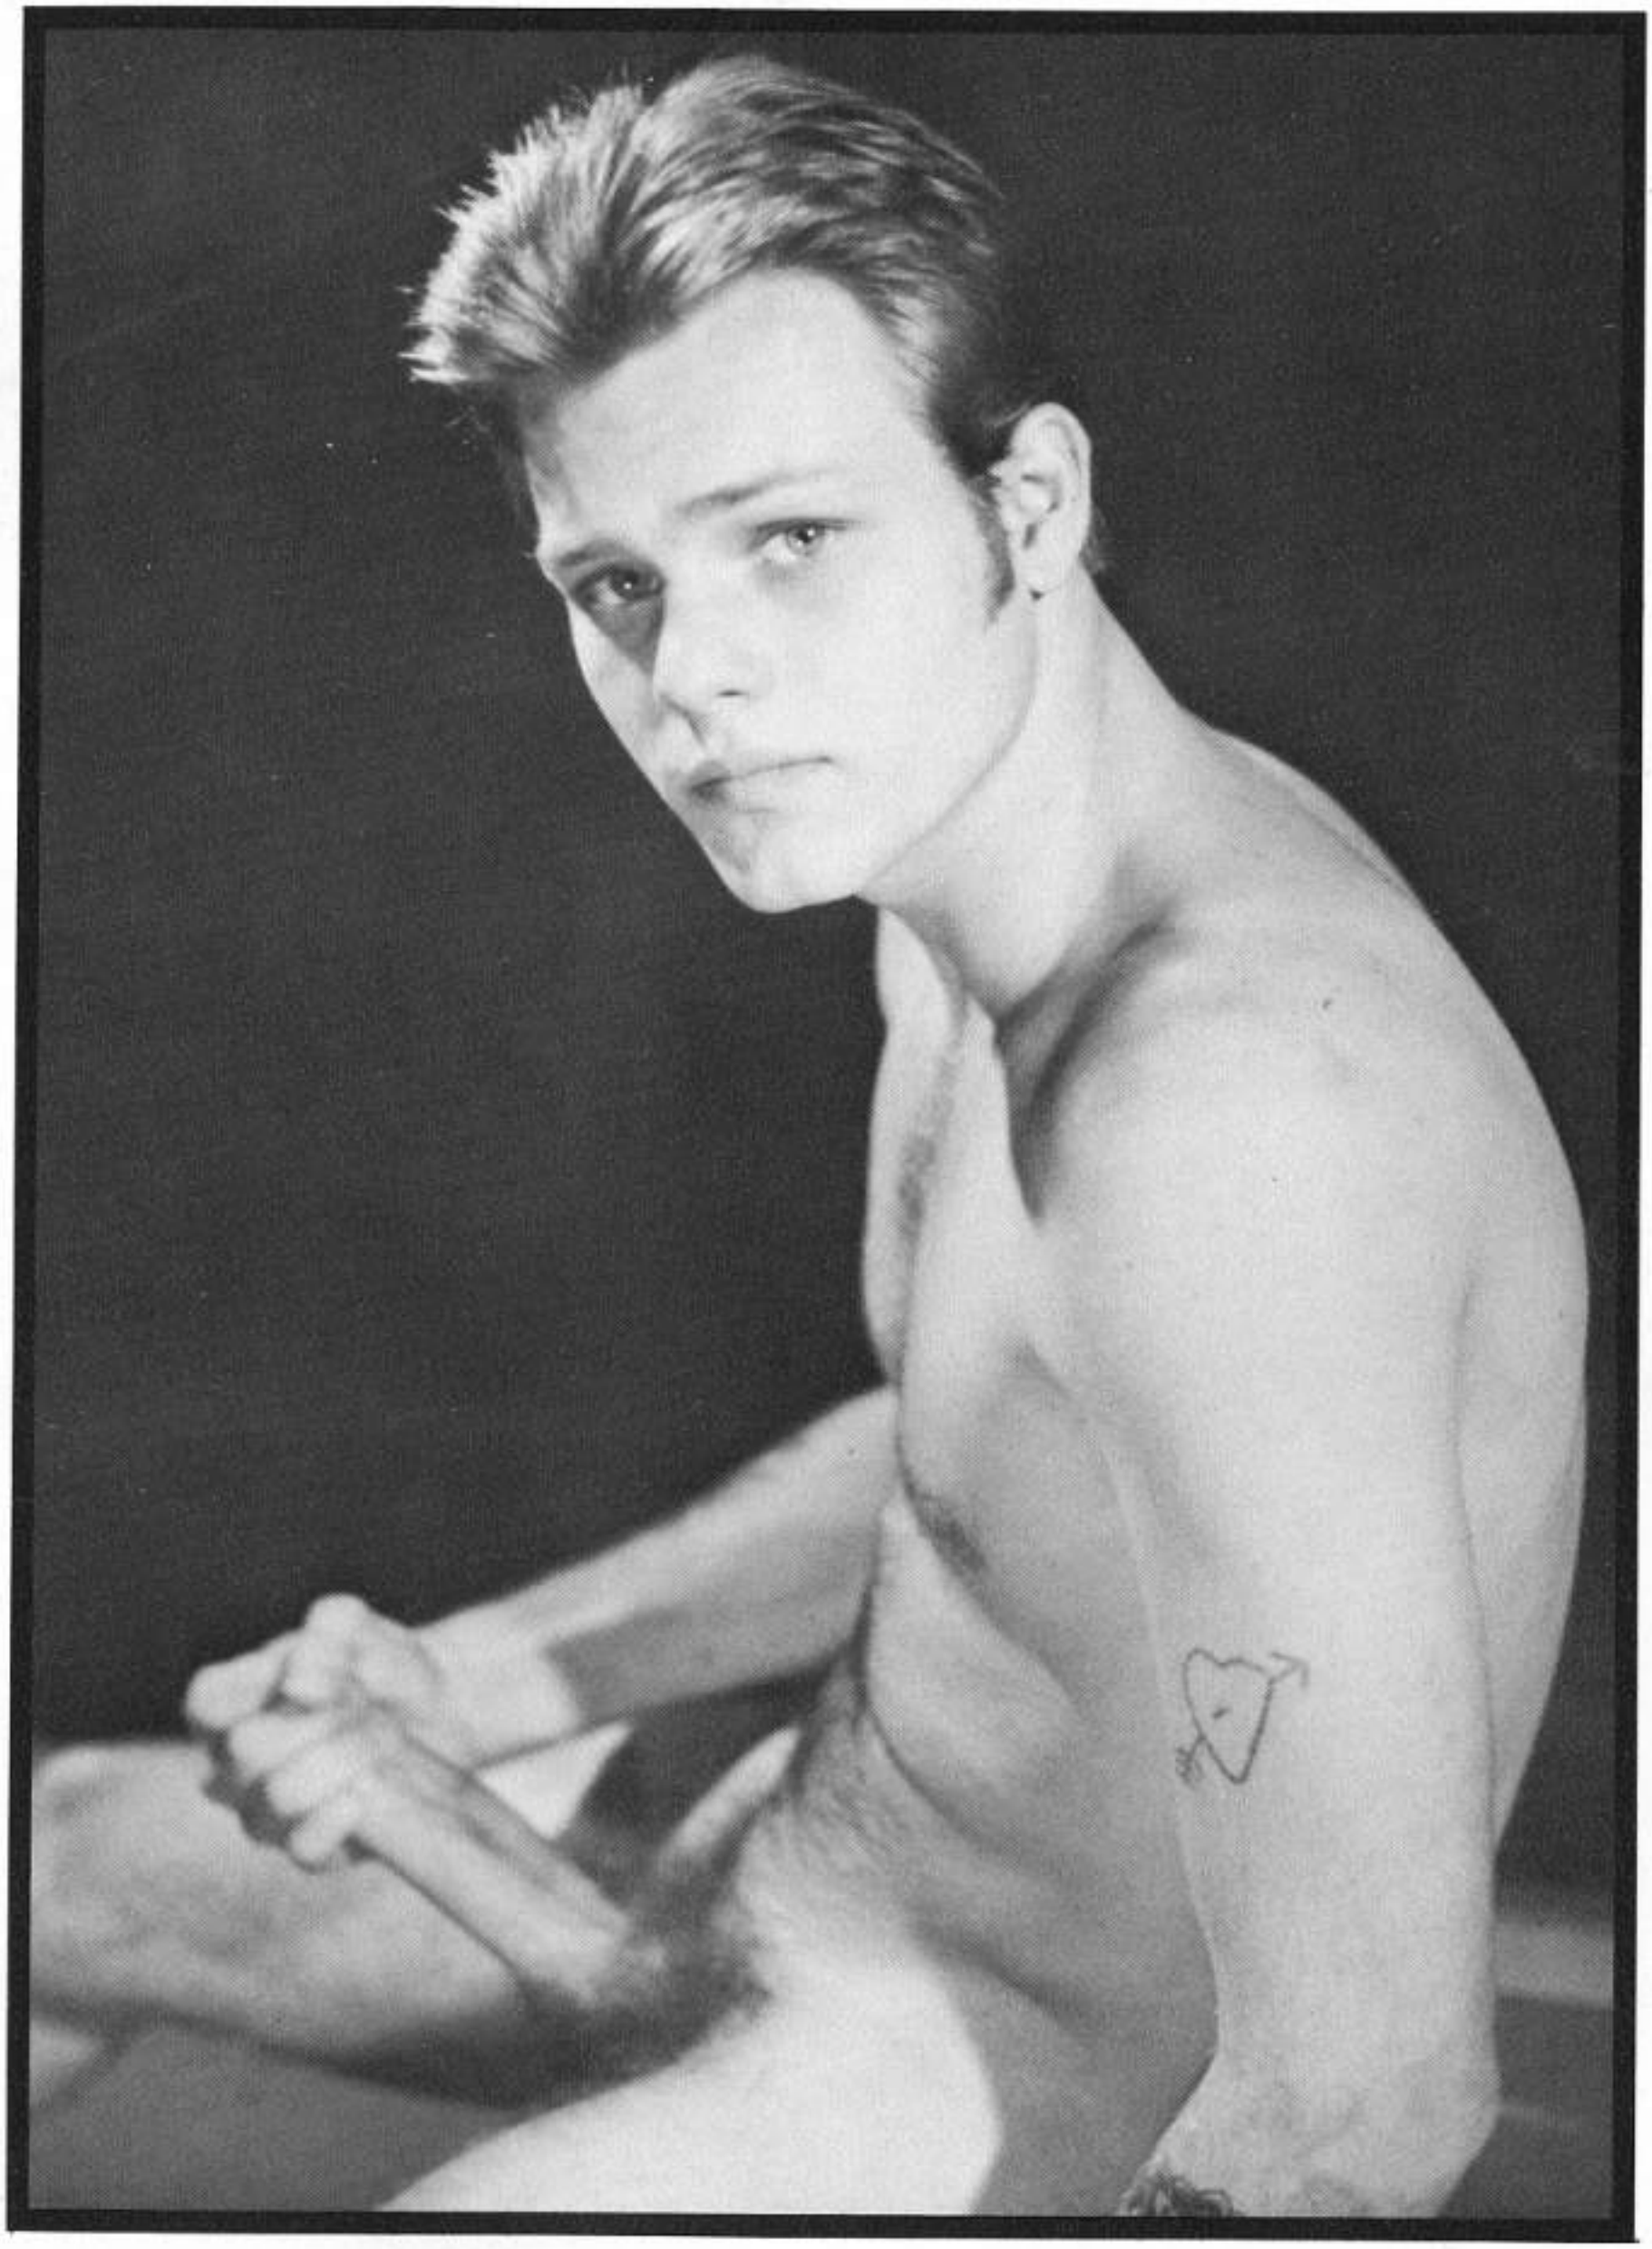






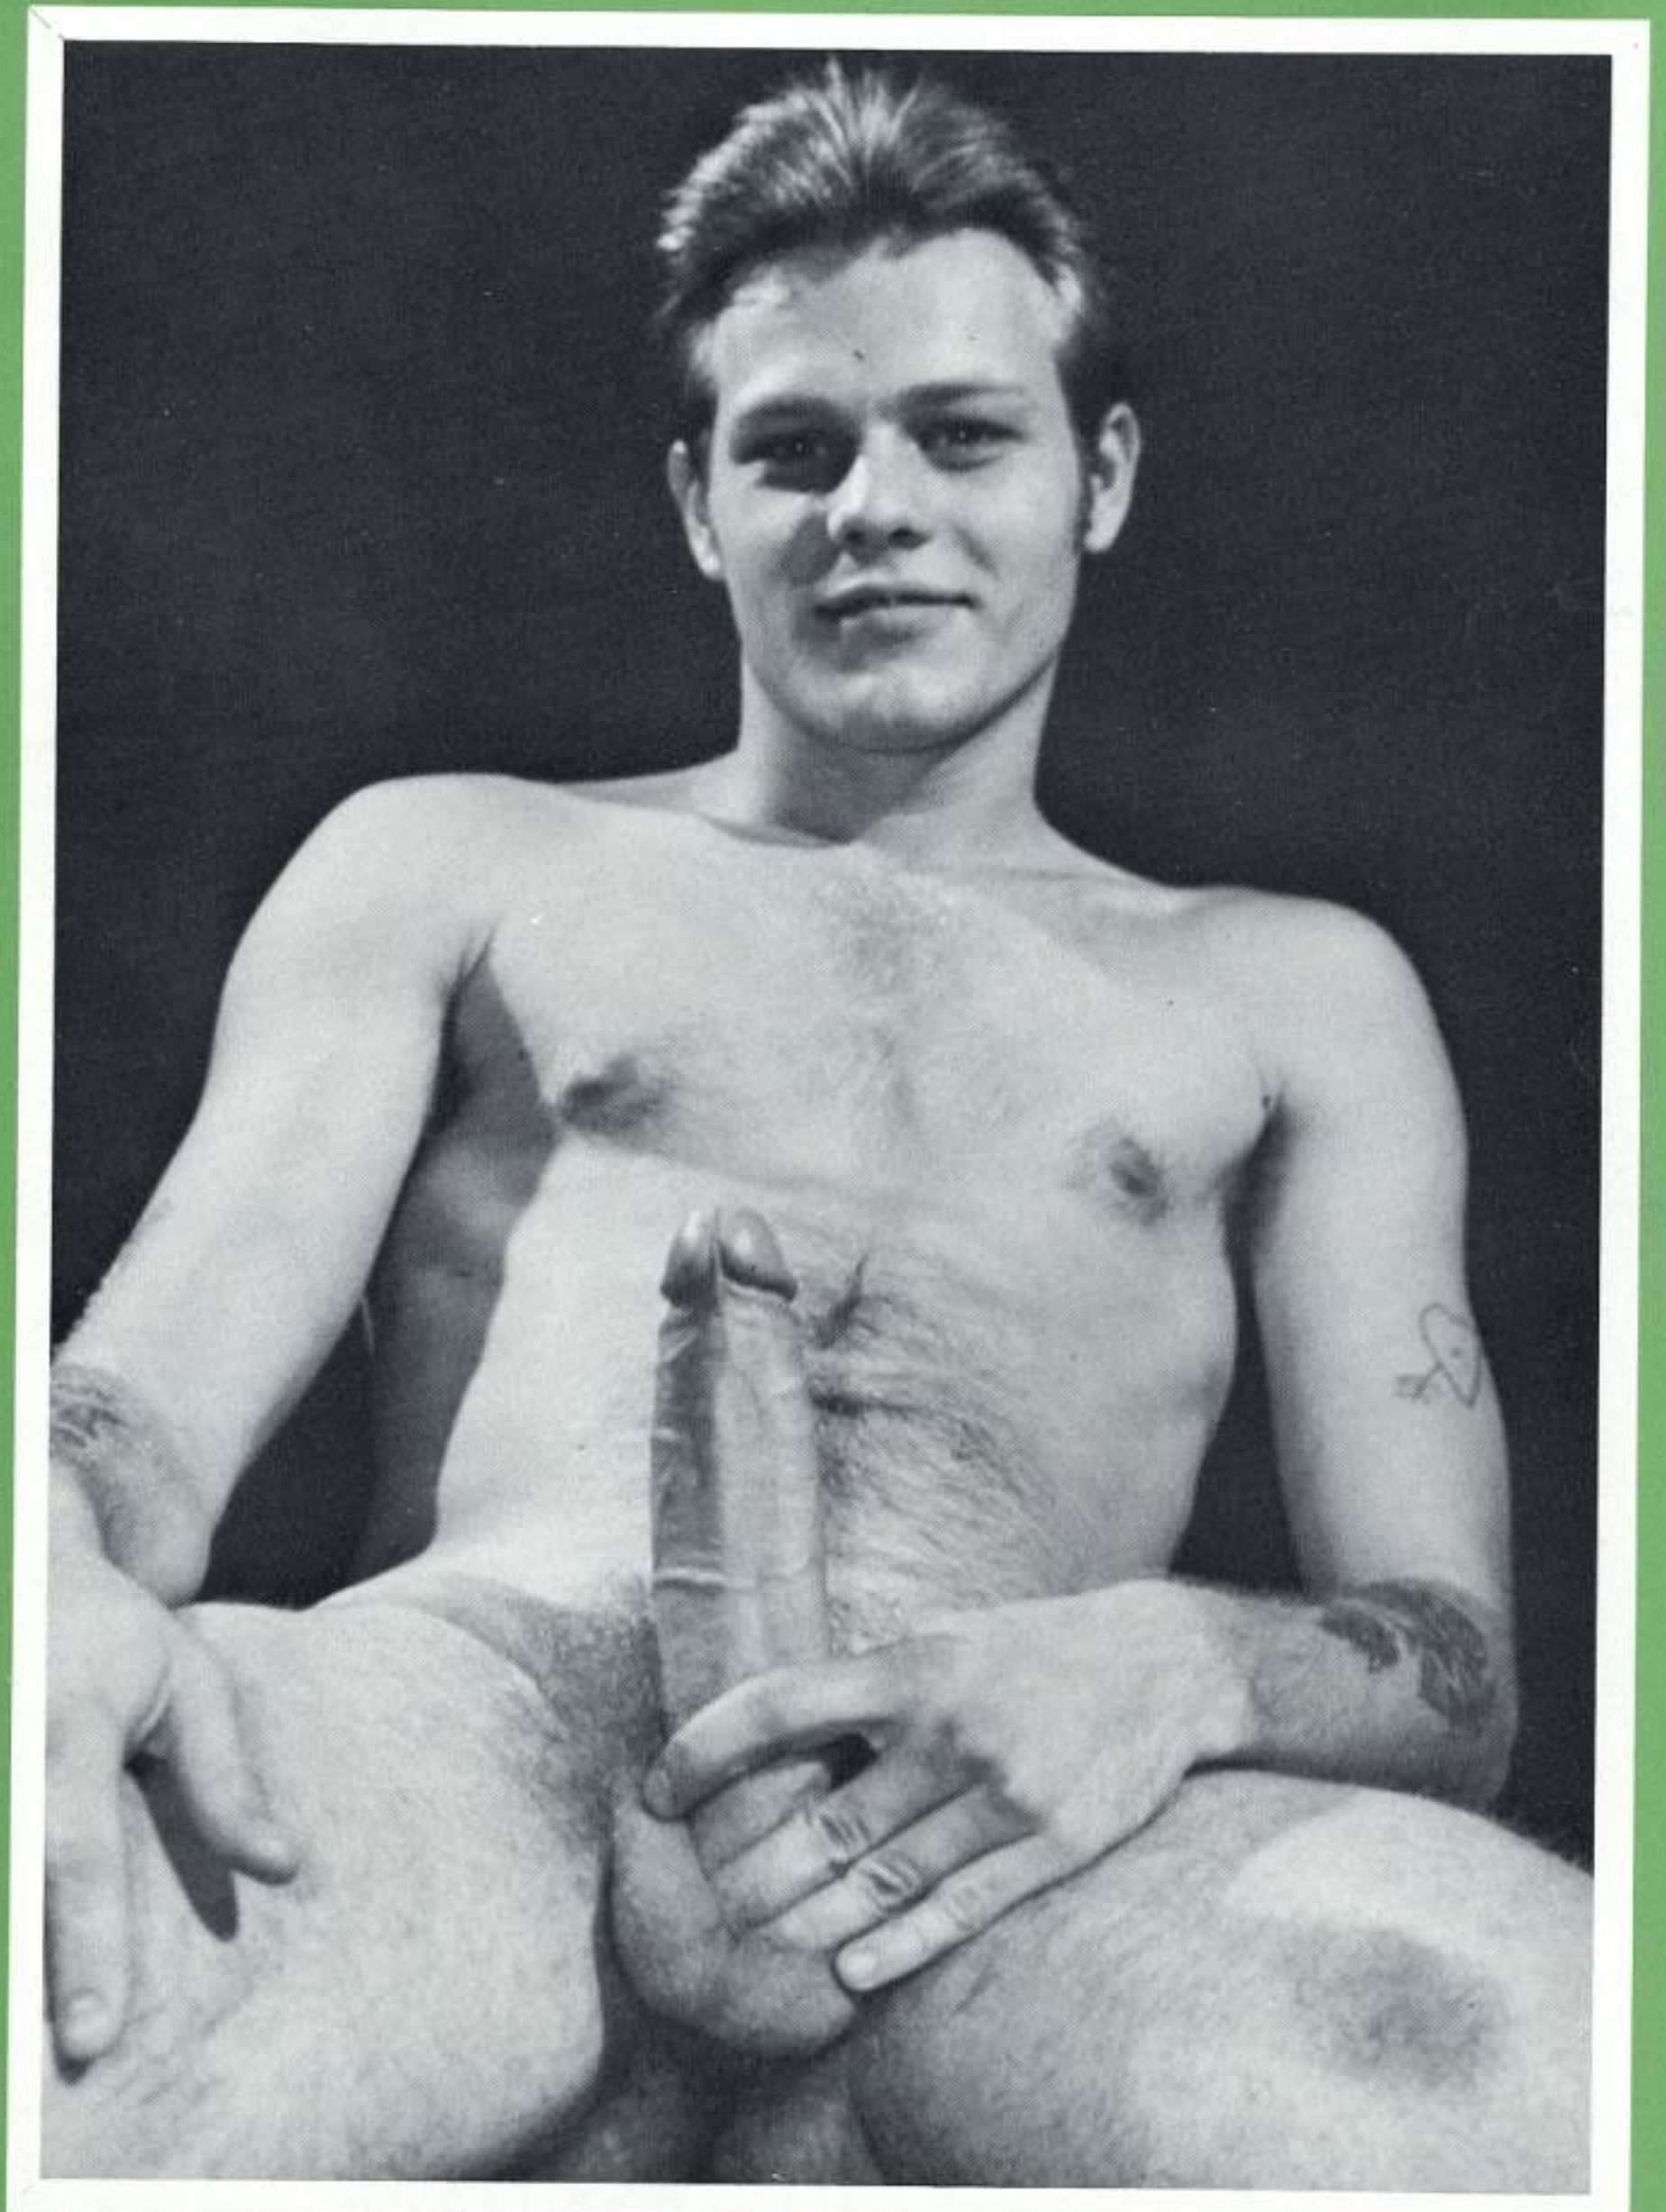


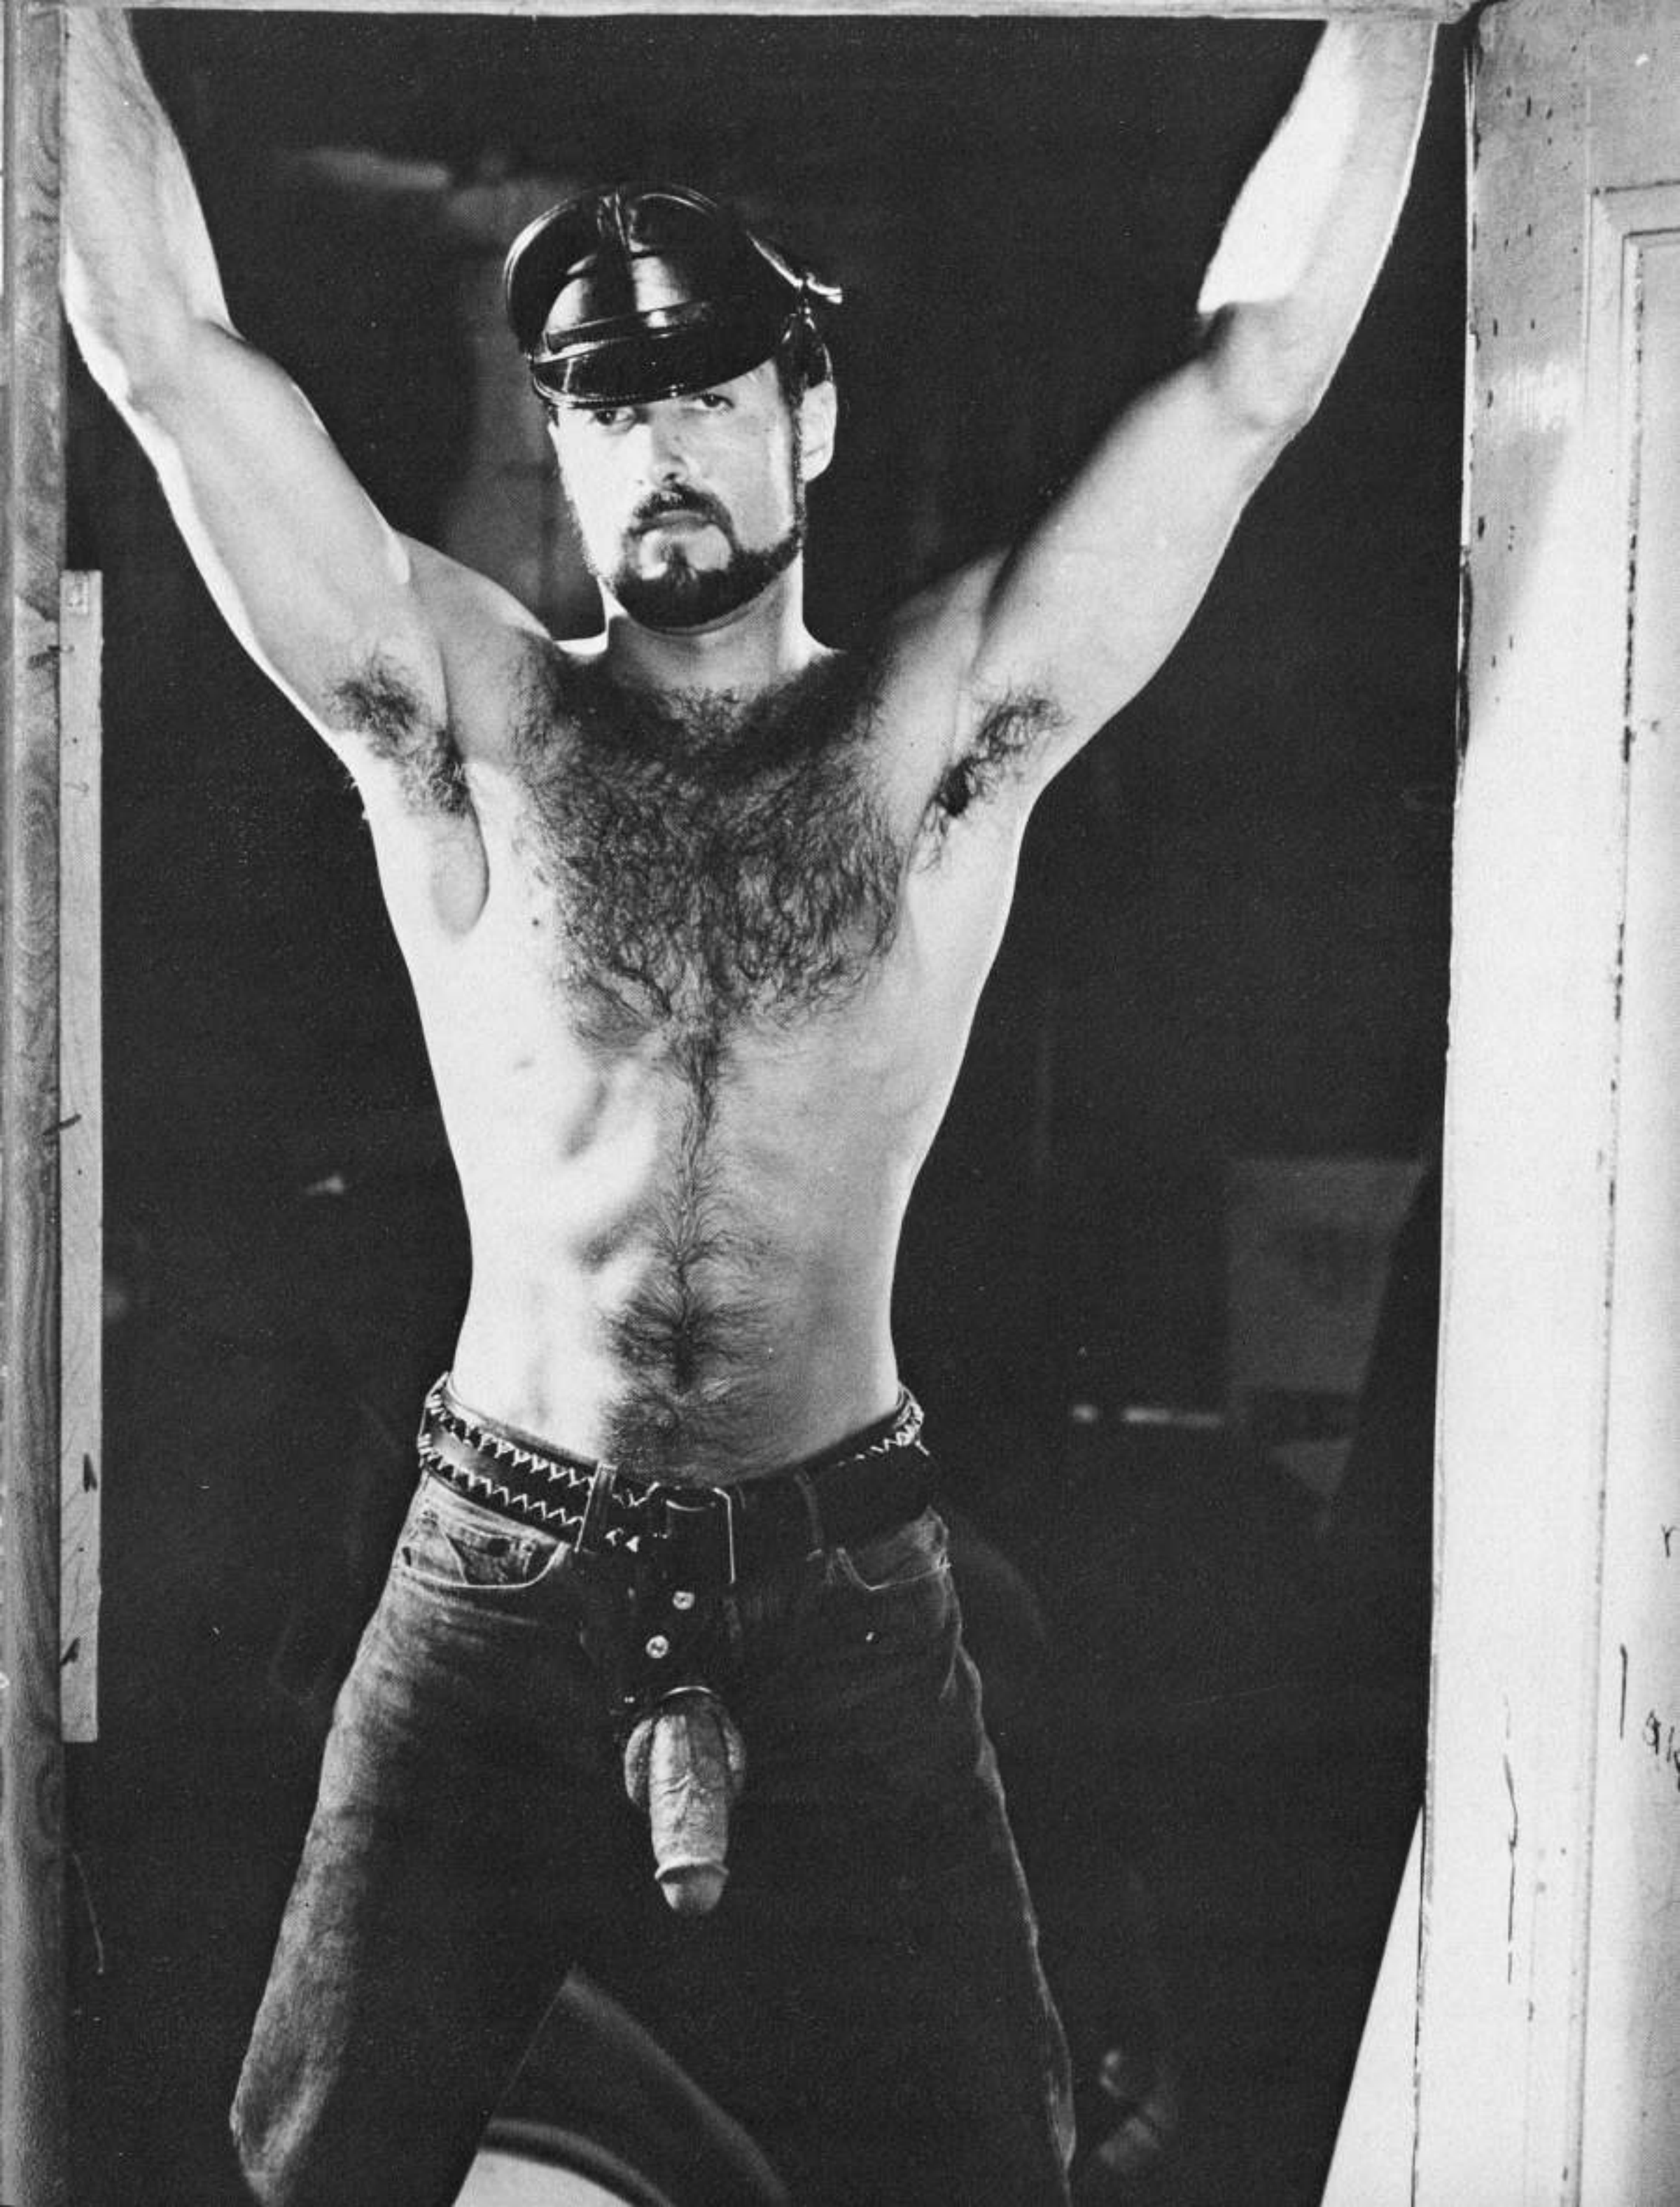


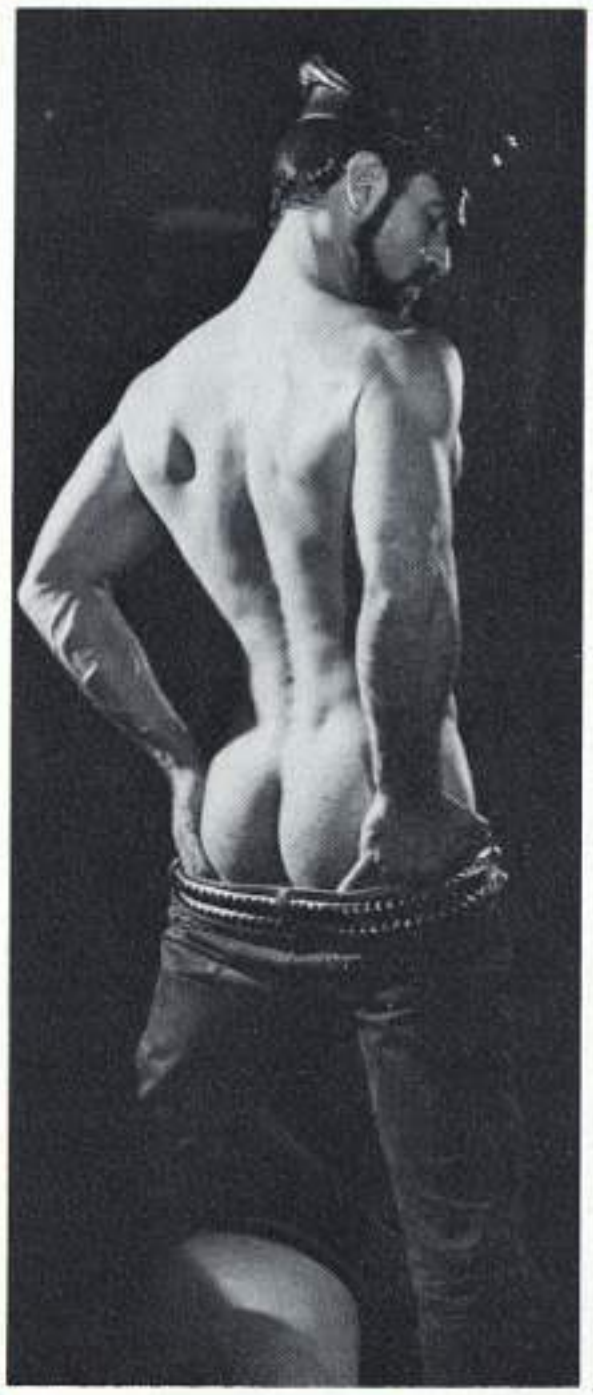


WEST

This foxy guy has something to show you in some very unusual and varied ways. A simple straight forward situation is all West needs to get it going in as many positions as he can think of.

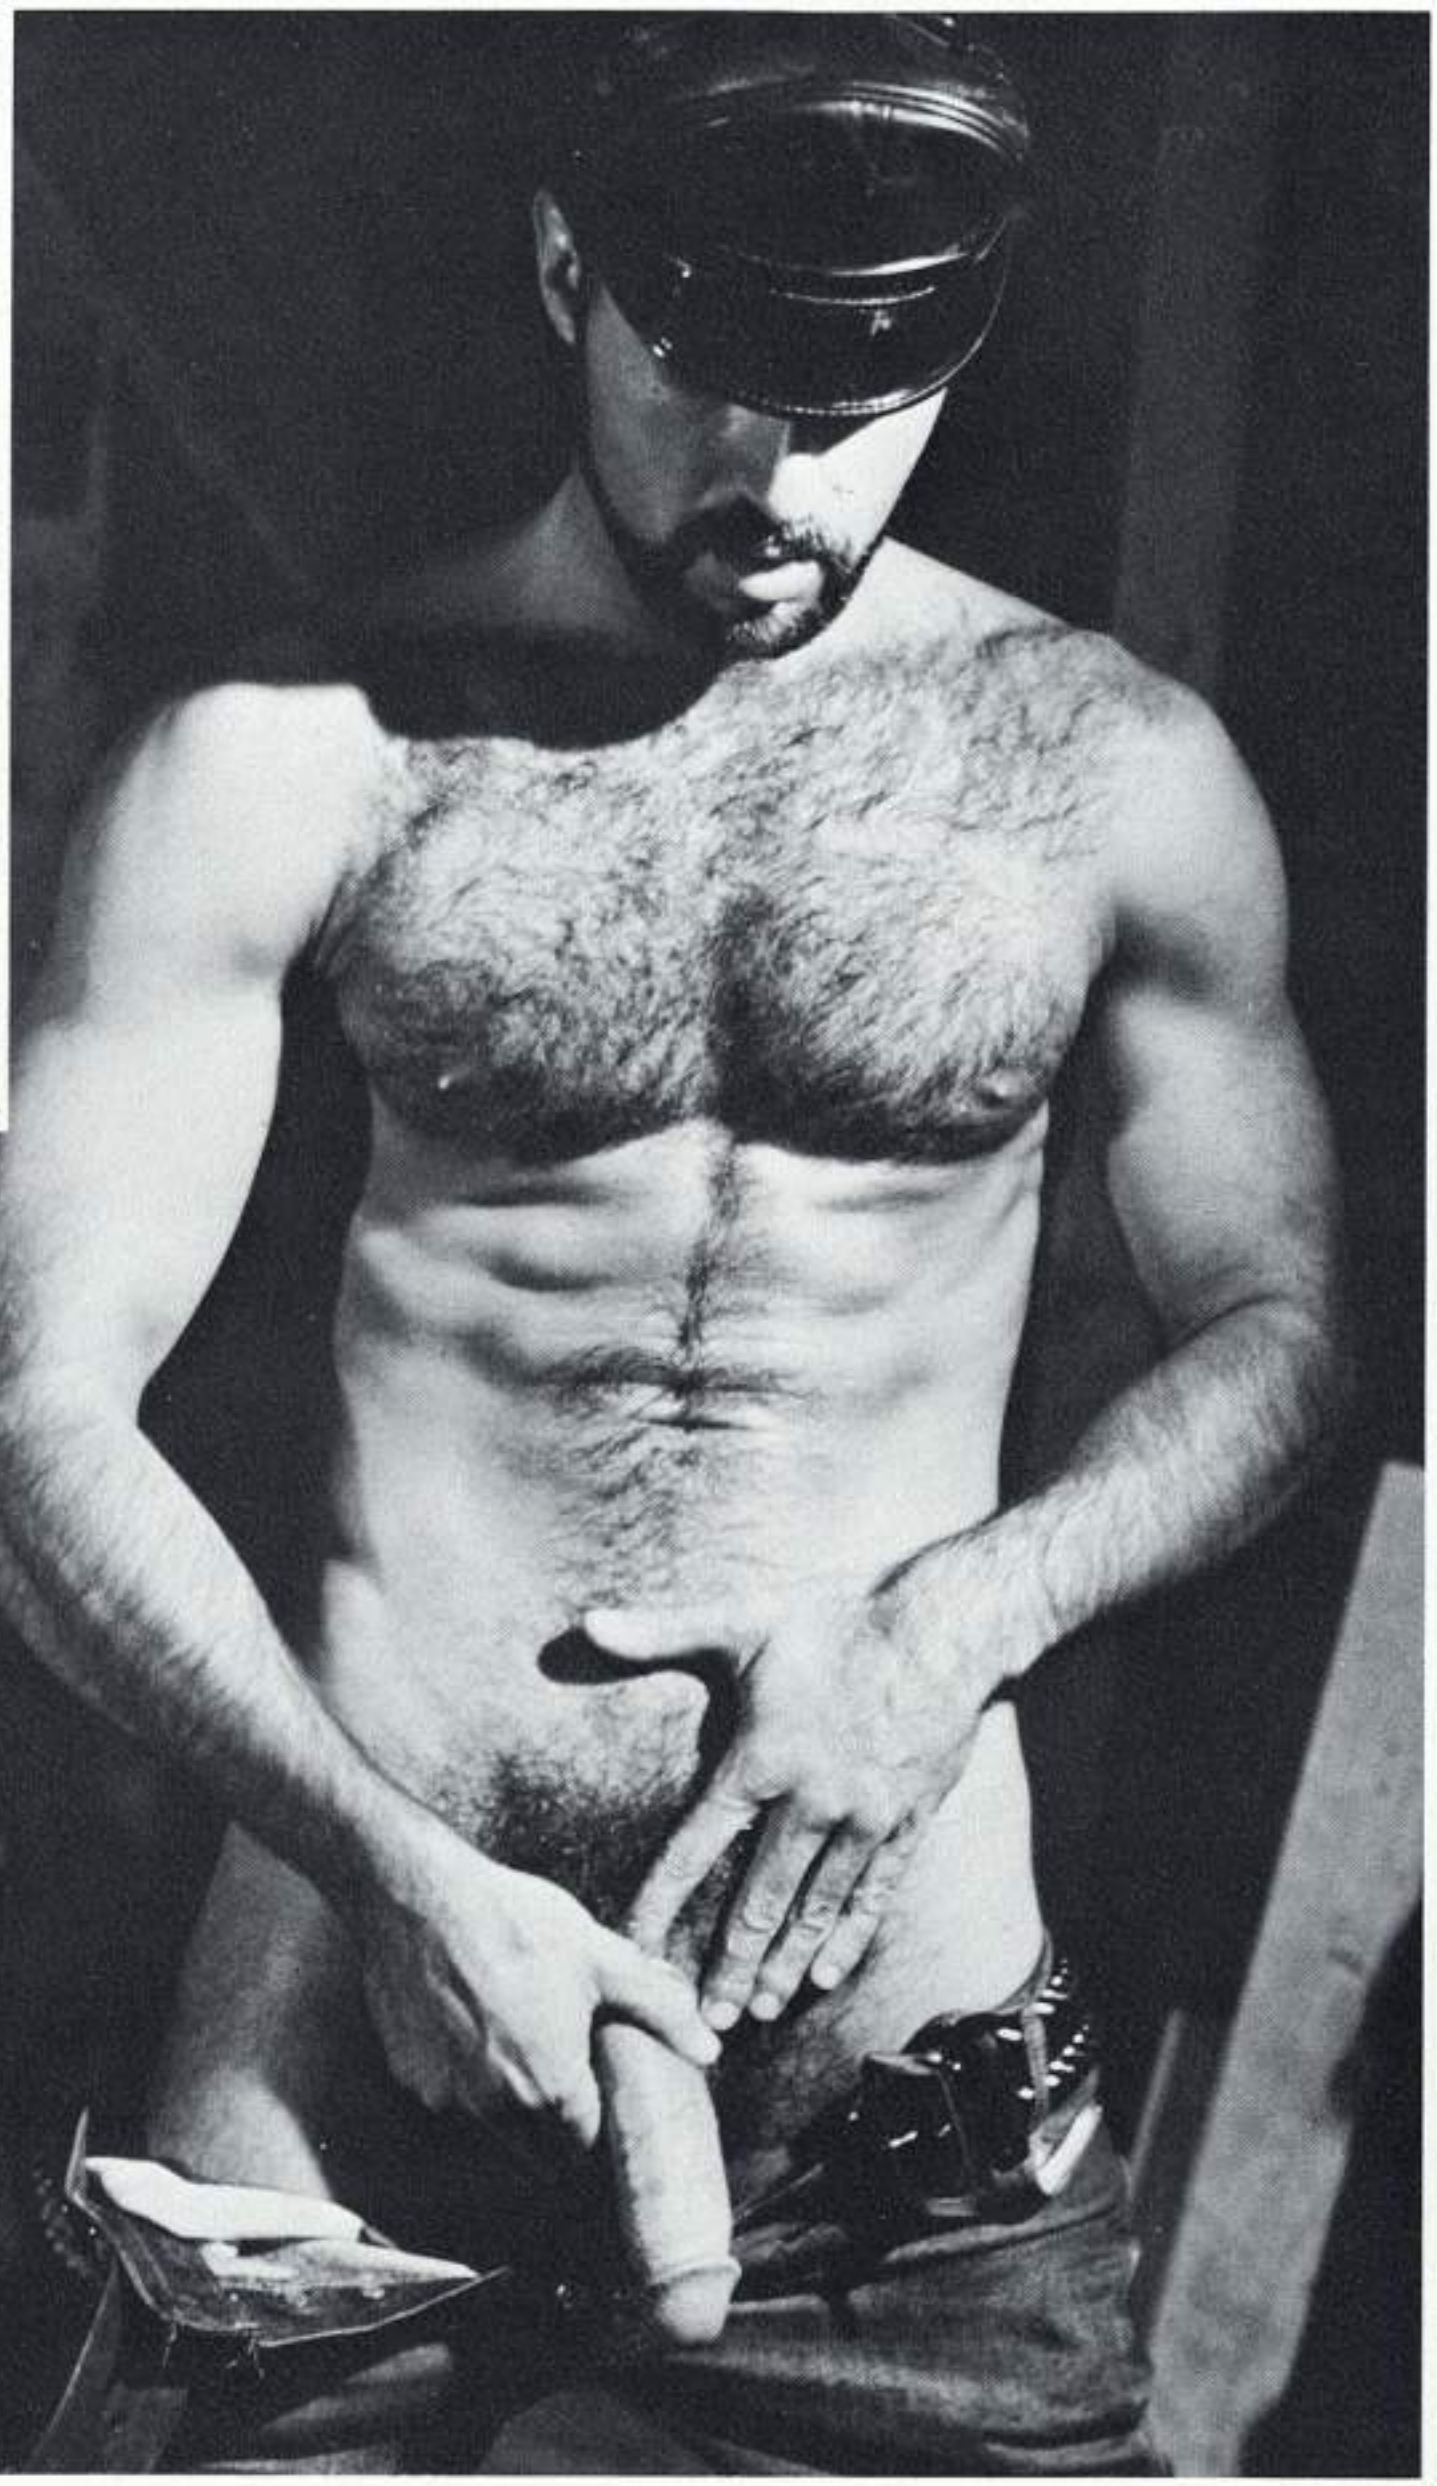






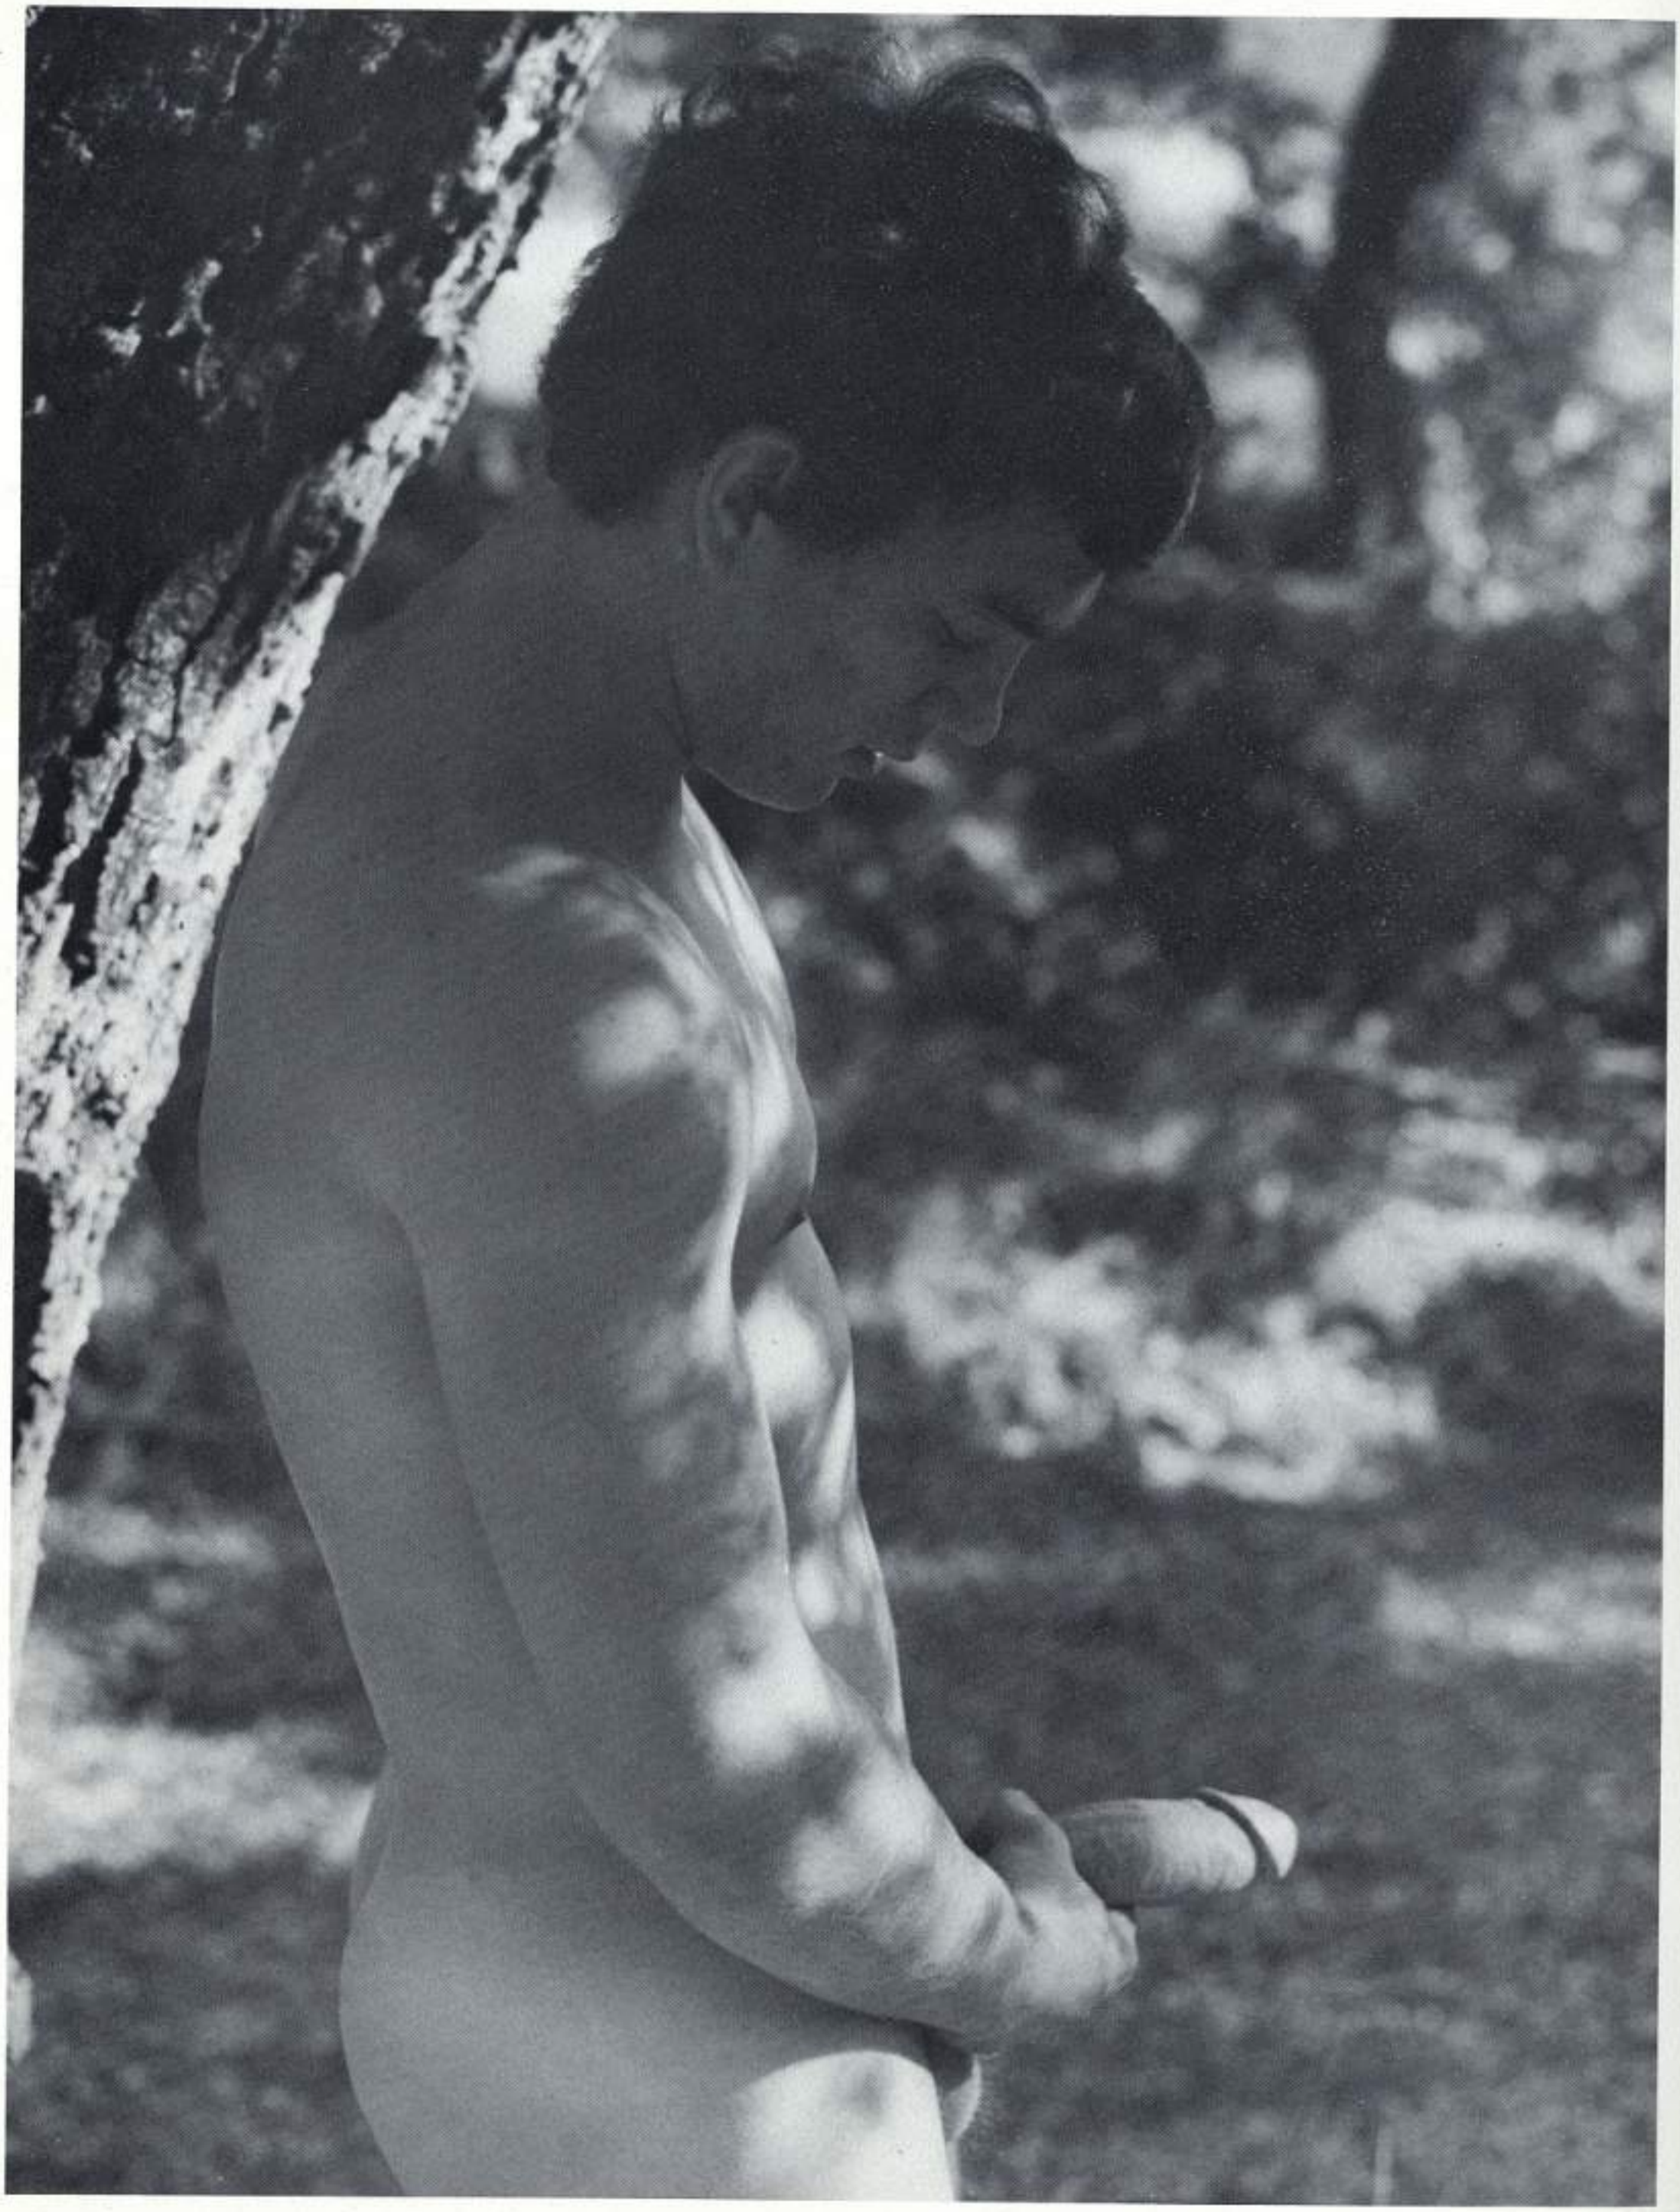
Straight from a hot session at the tubs, there was no stopping Brian when he got excited. Dressed in leather, hot tool covered with sweat and a great body, this guy gives it everything he's got.... ....and he's got plenty.

BRIAN

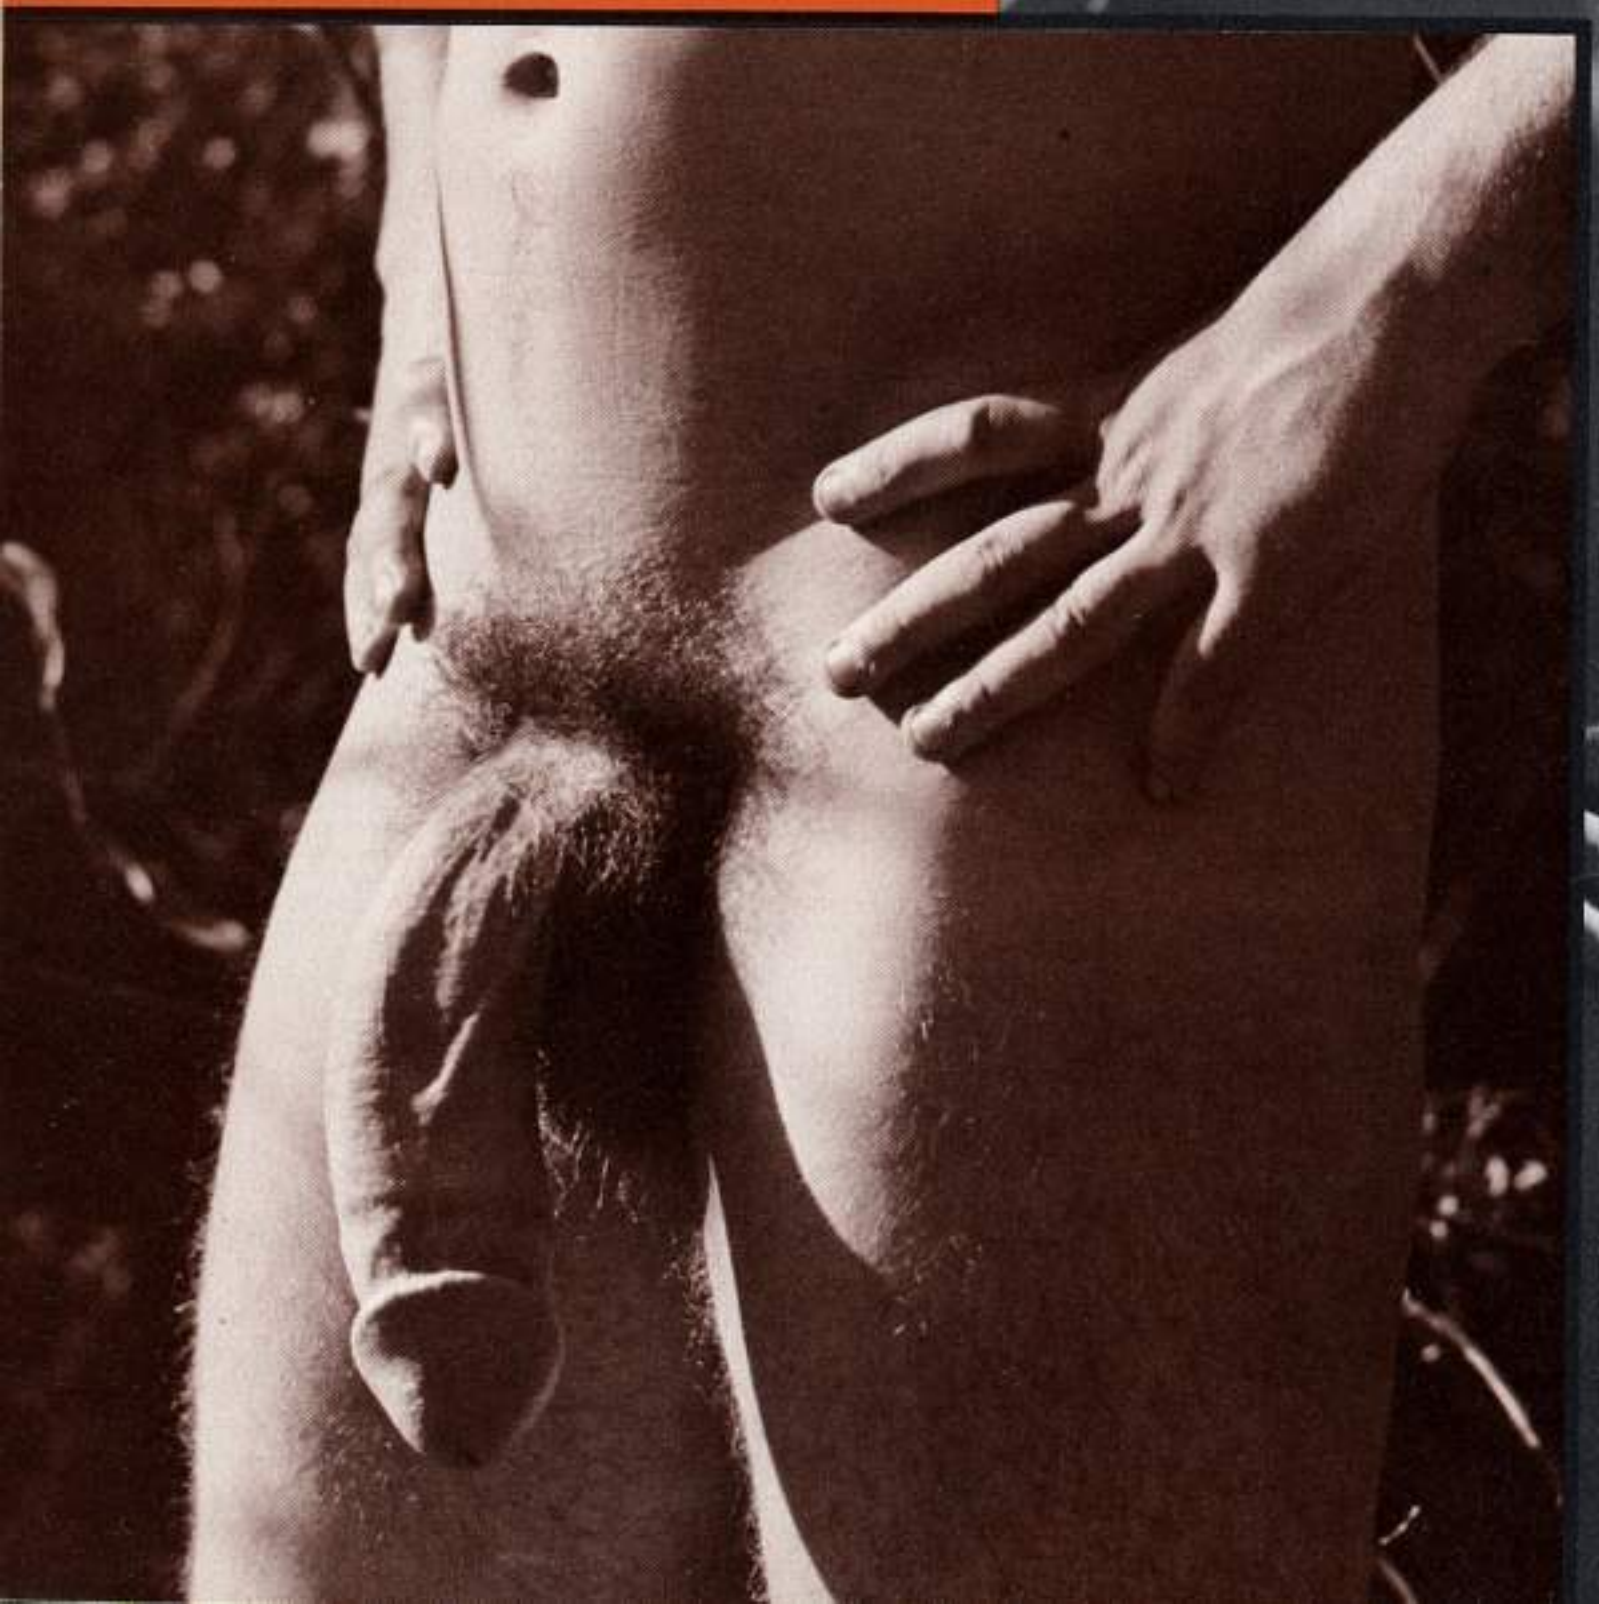


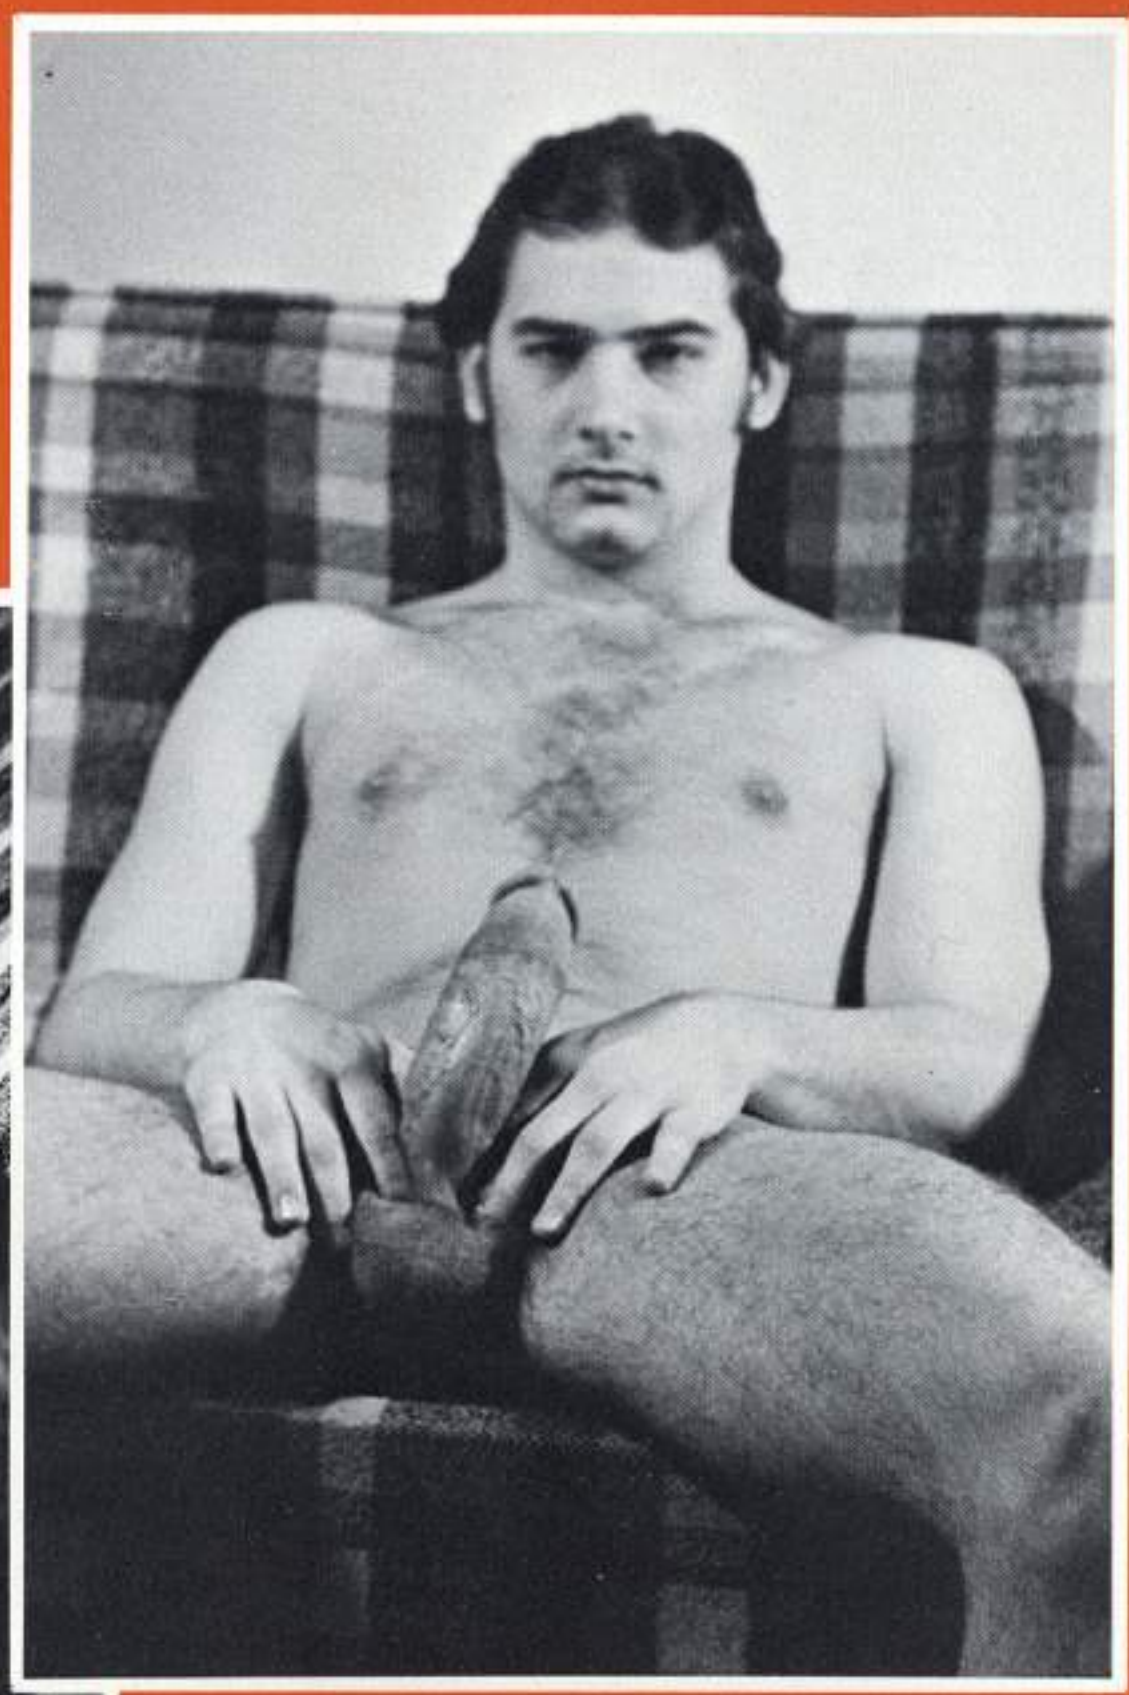
JOE MARKUM

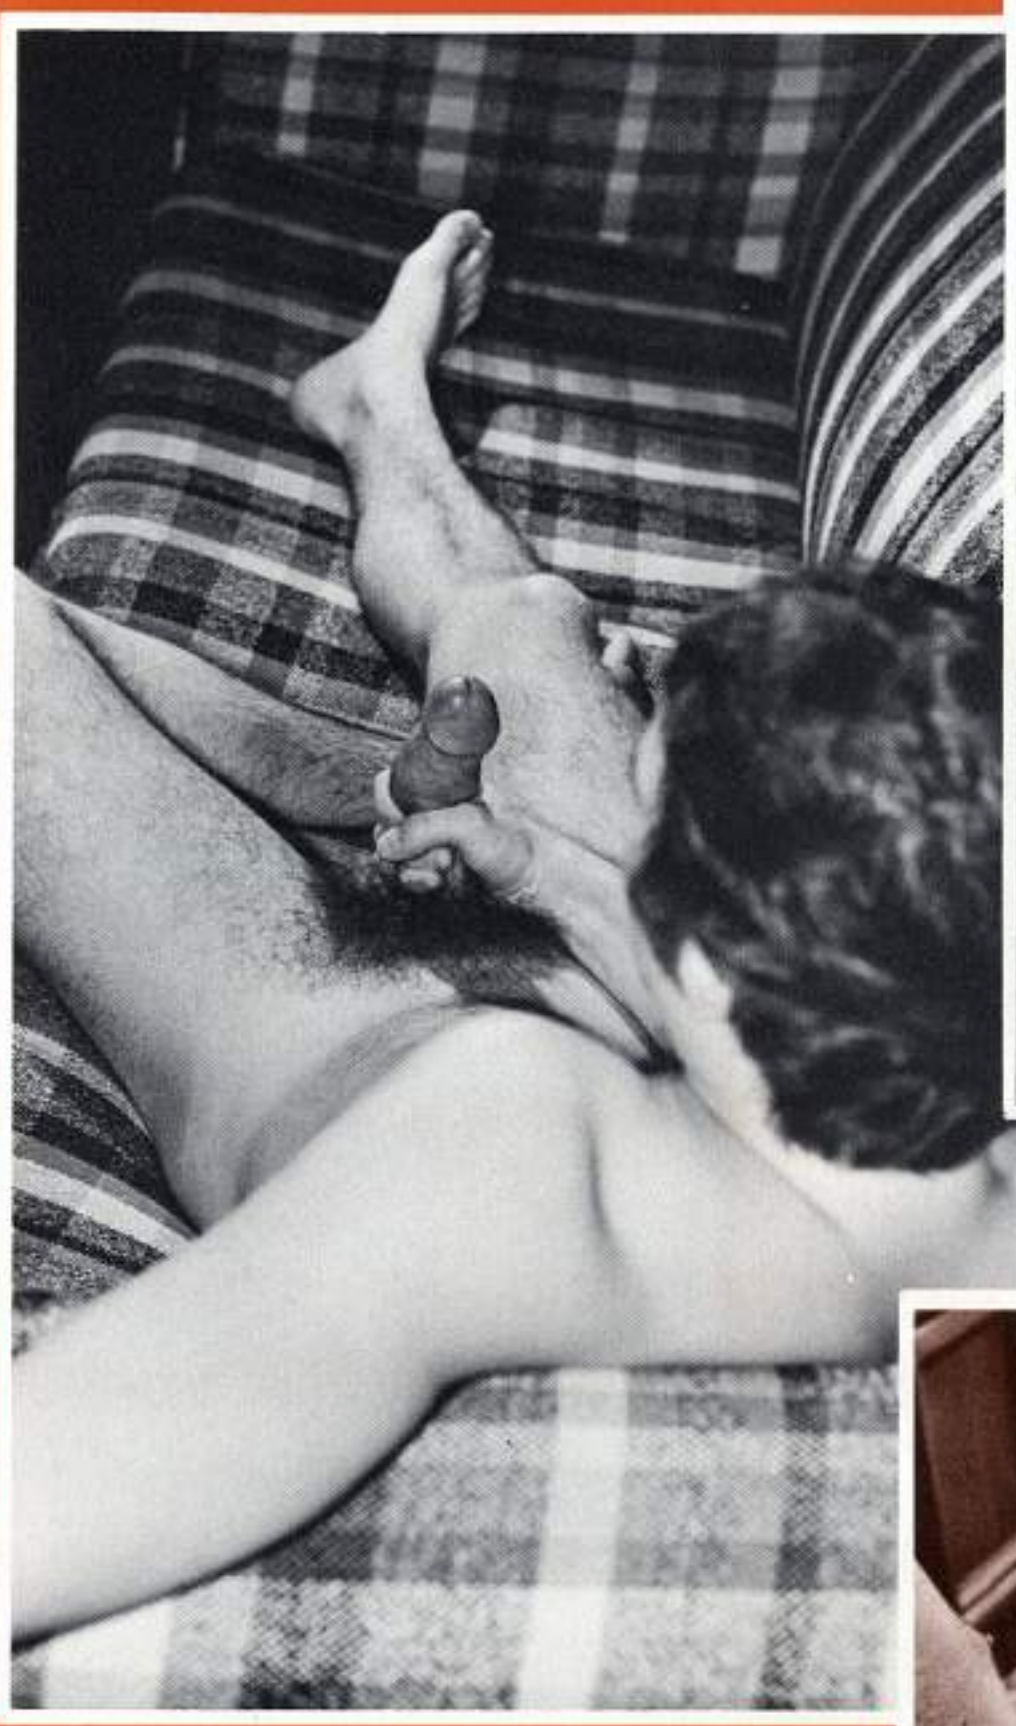
Joe, is a versatile guy and shows us ways to have sex by himself that few people have even thought of. He delivers an upside down climax that will excite anyone. When you see him shoot, you'll know what a faceful he had to take.



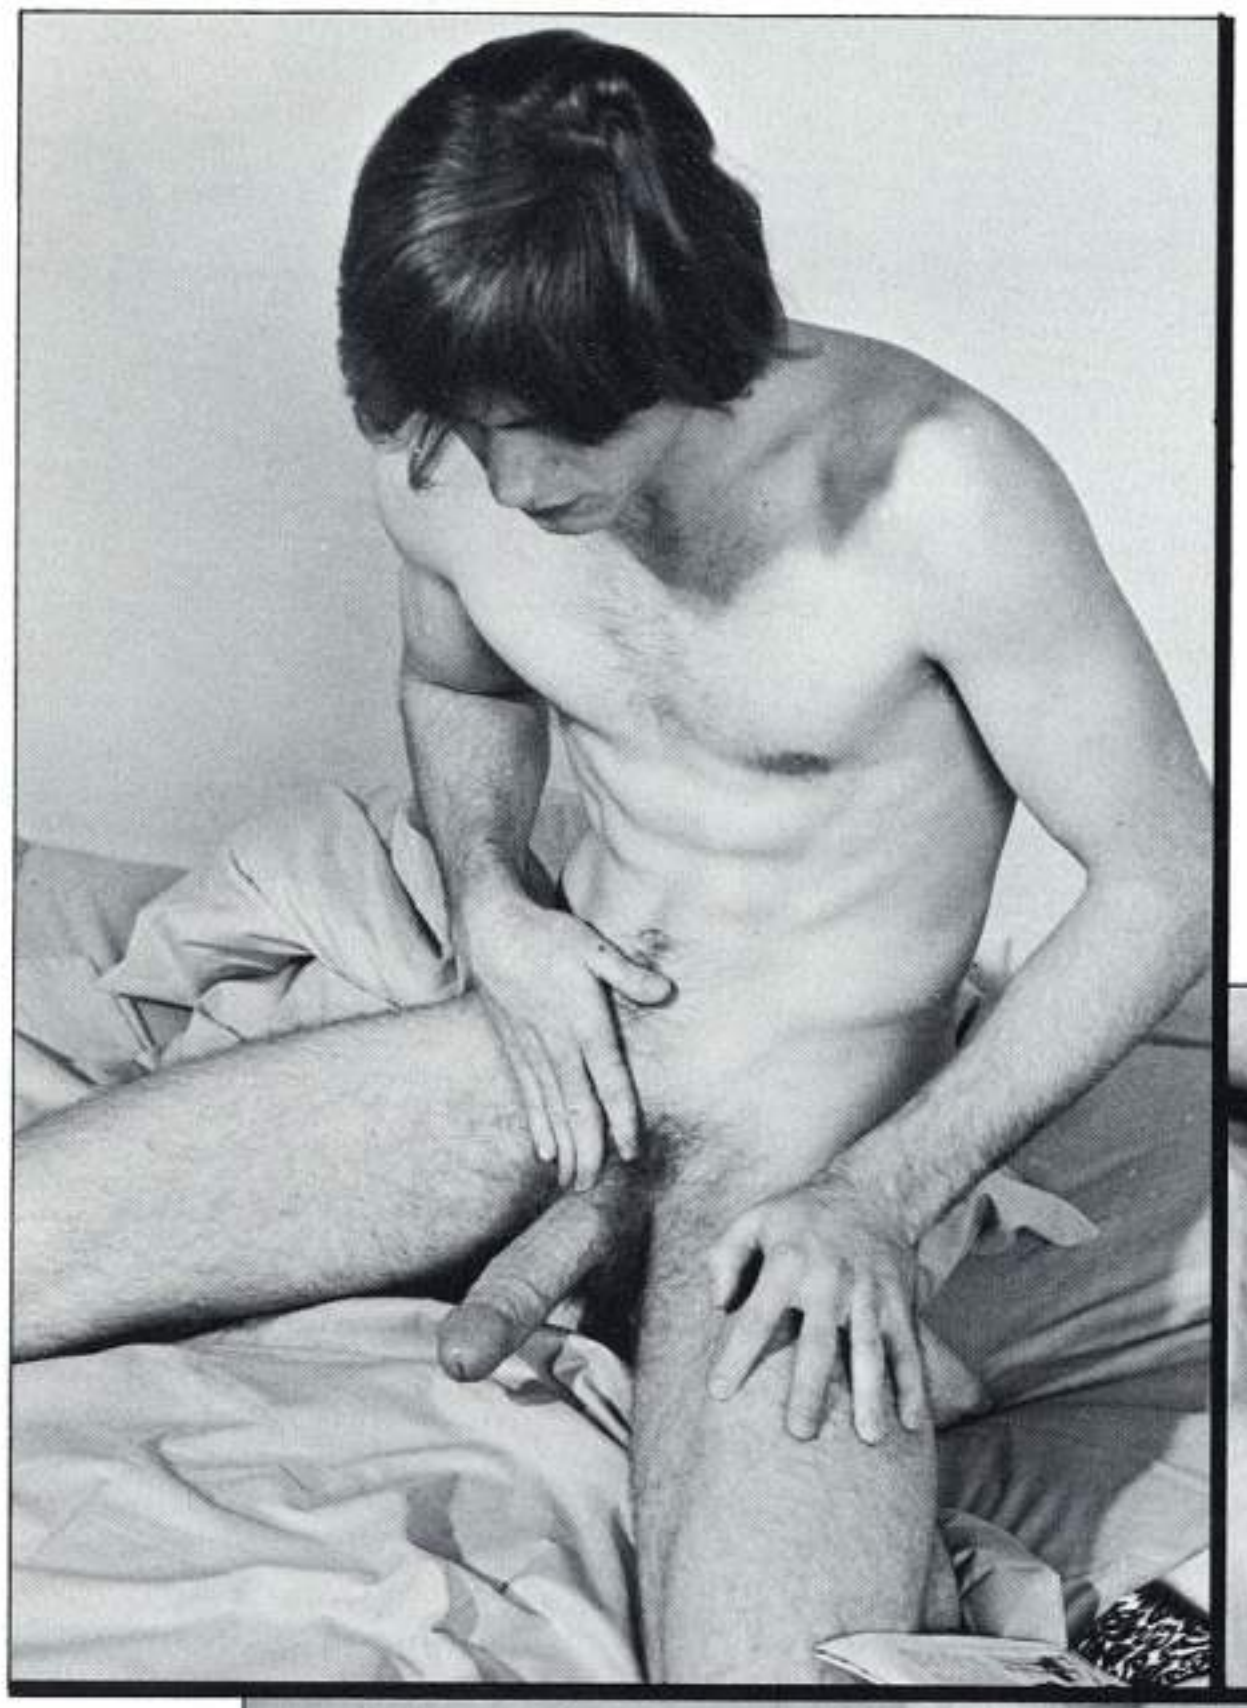
GARY BOYD







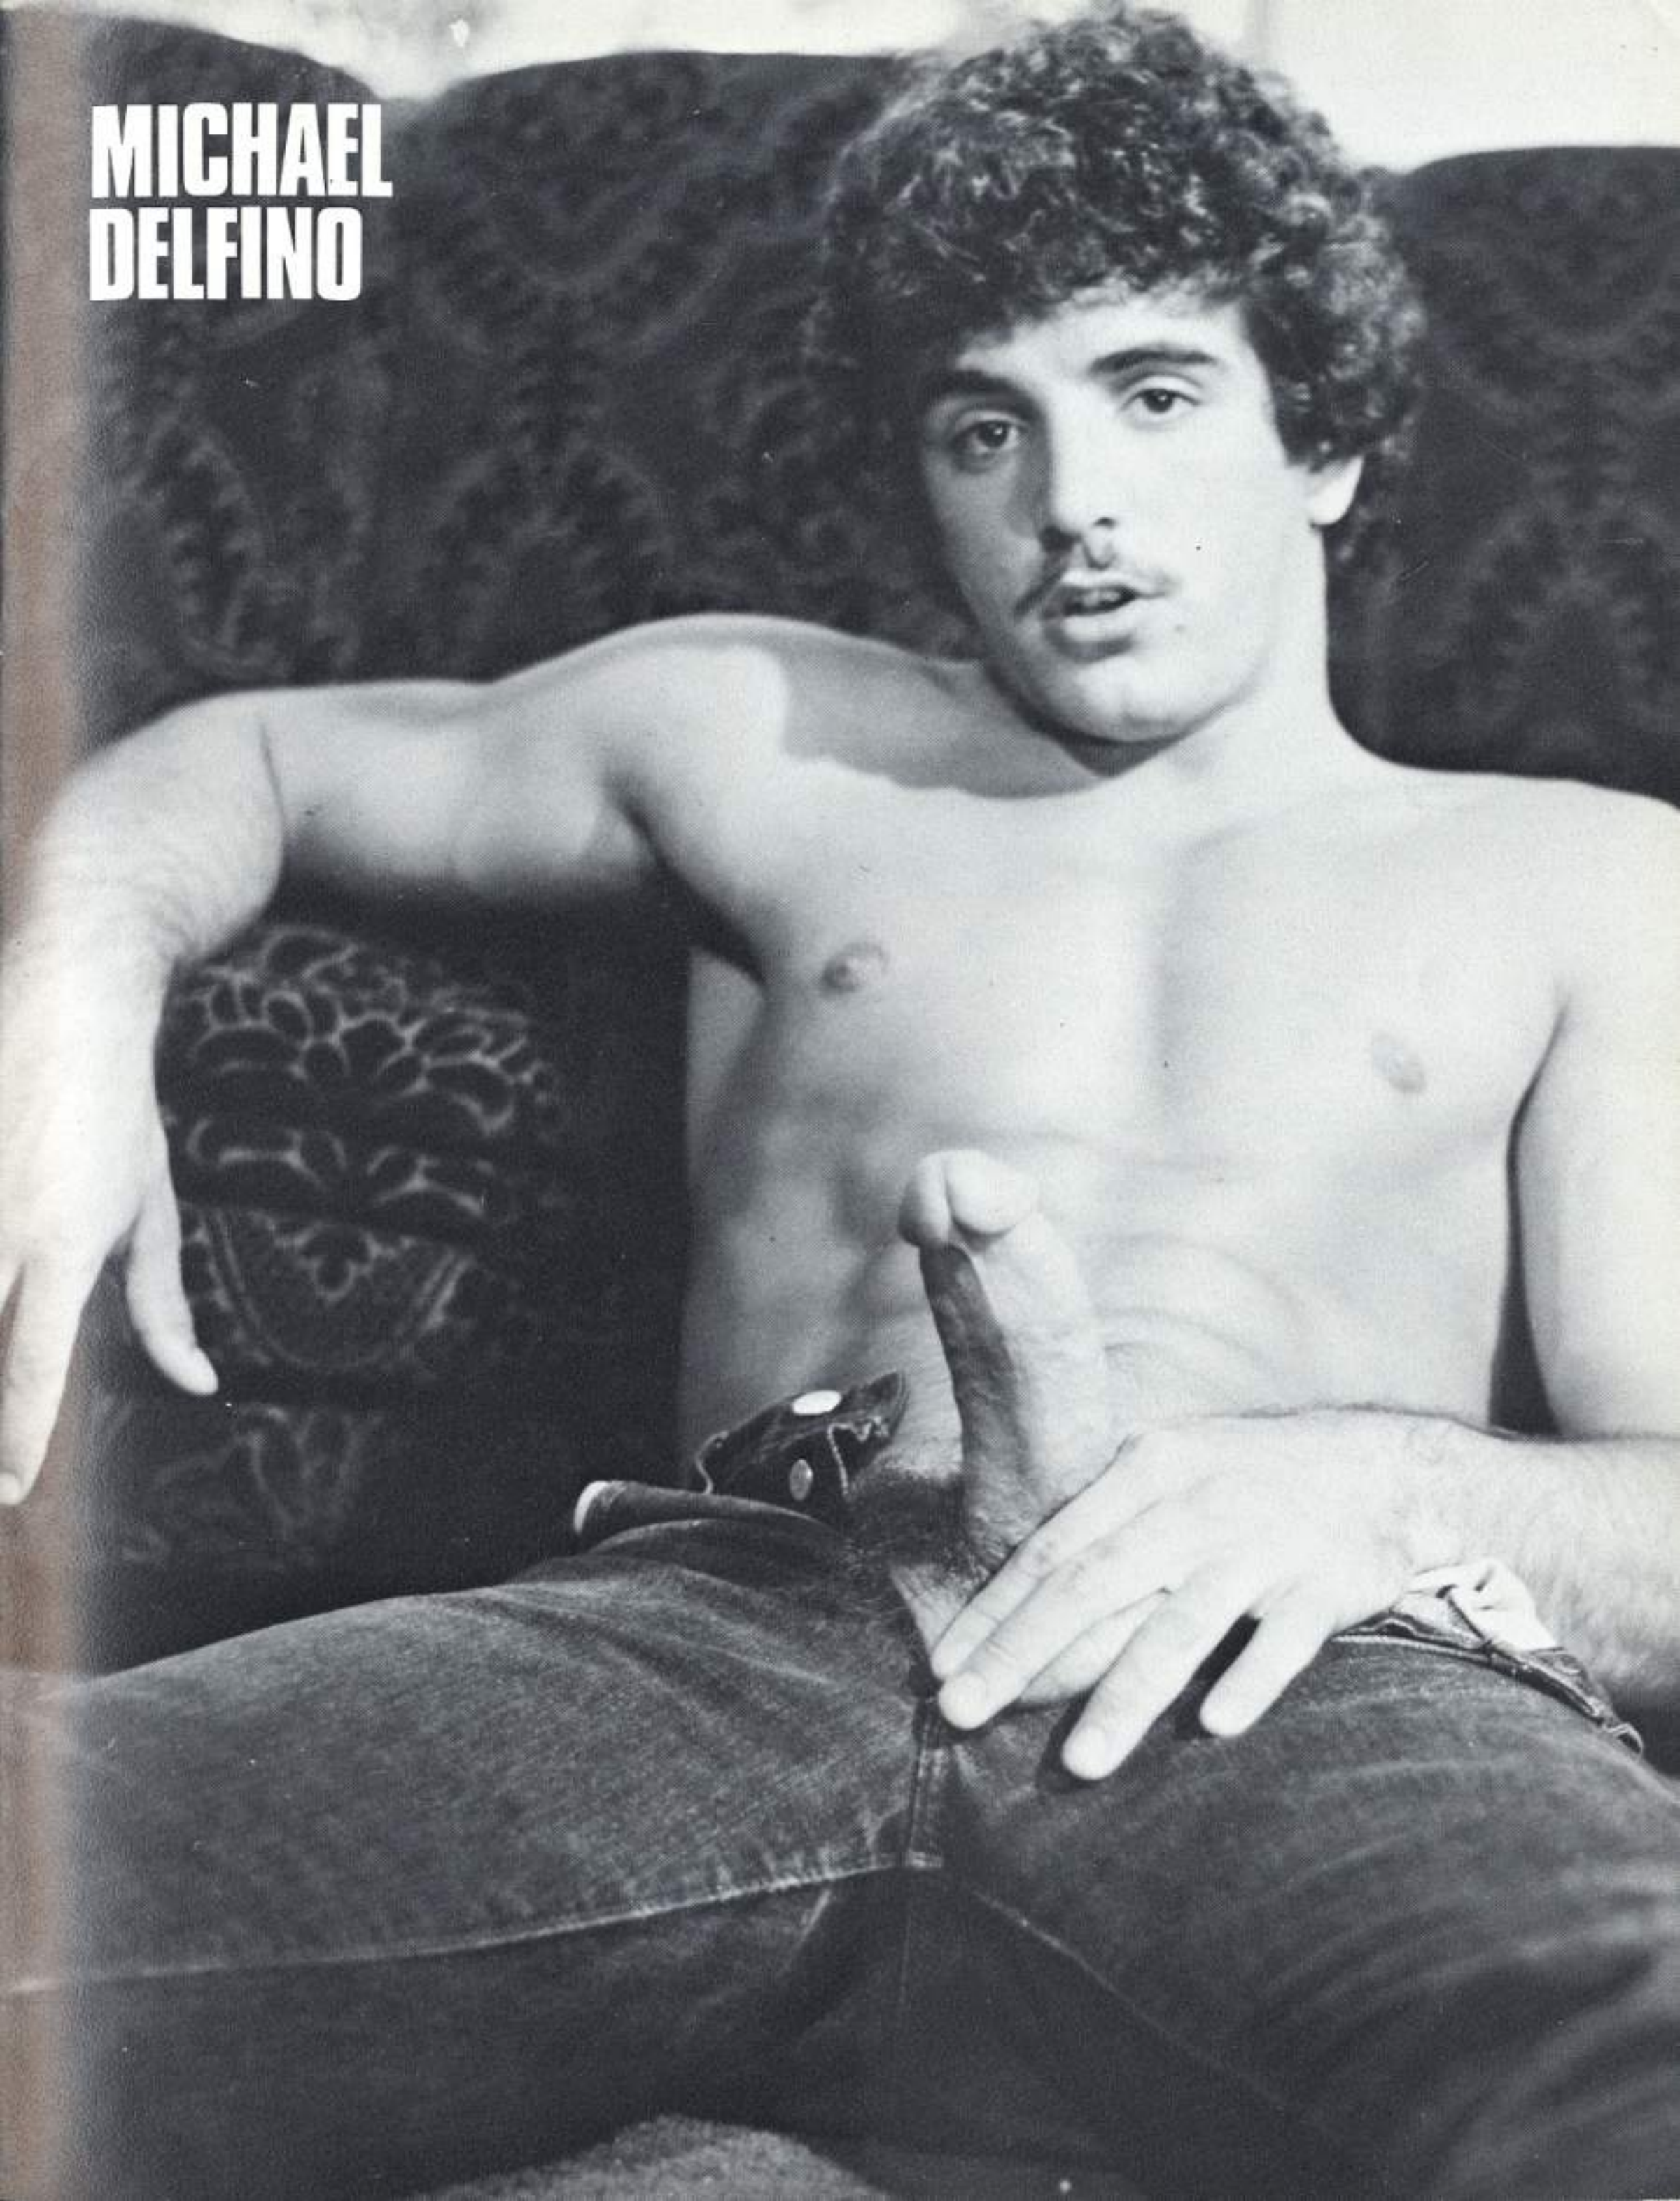
Gary is a super heavy hung Marine as you will see on these pages... and gets into some heavy handed action, jacking off his thick meat for our camera.

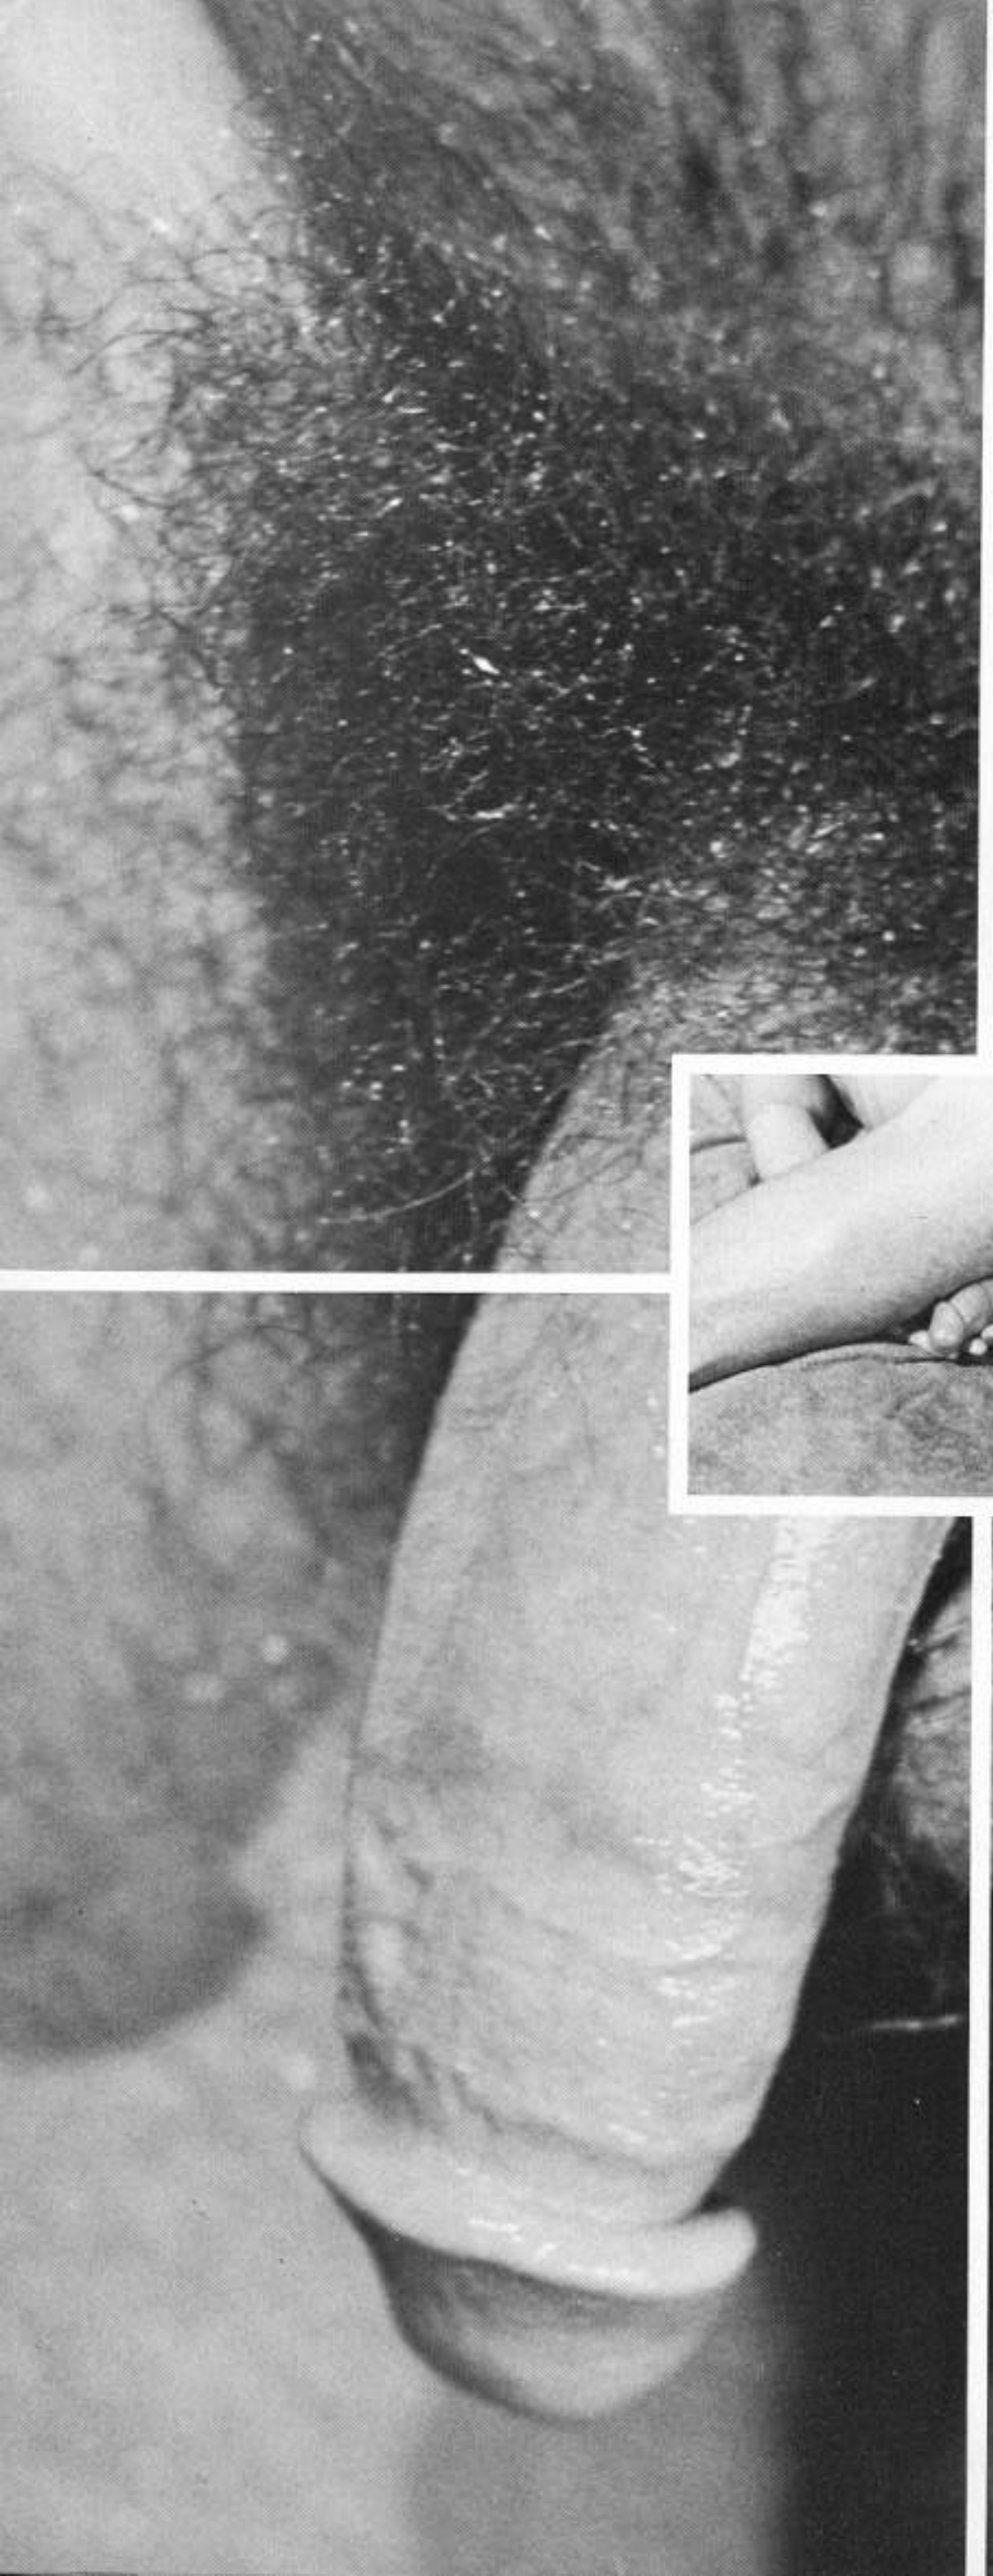


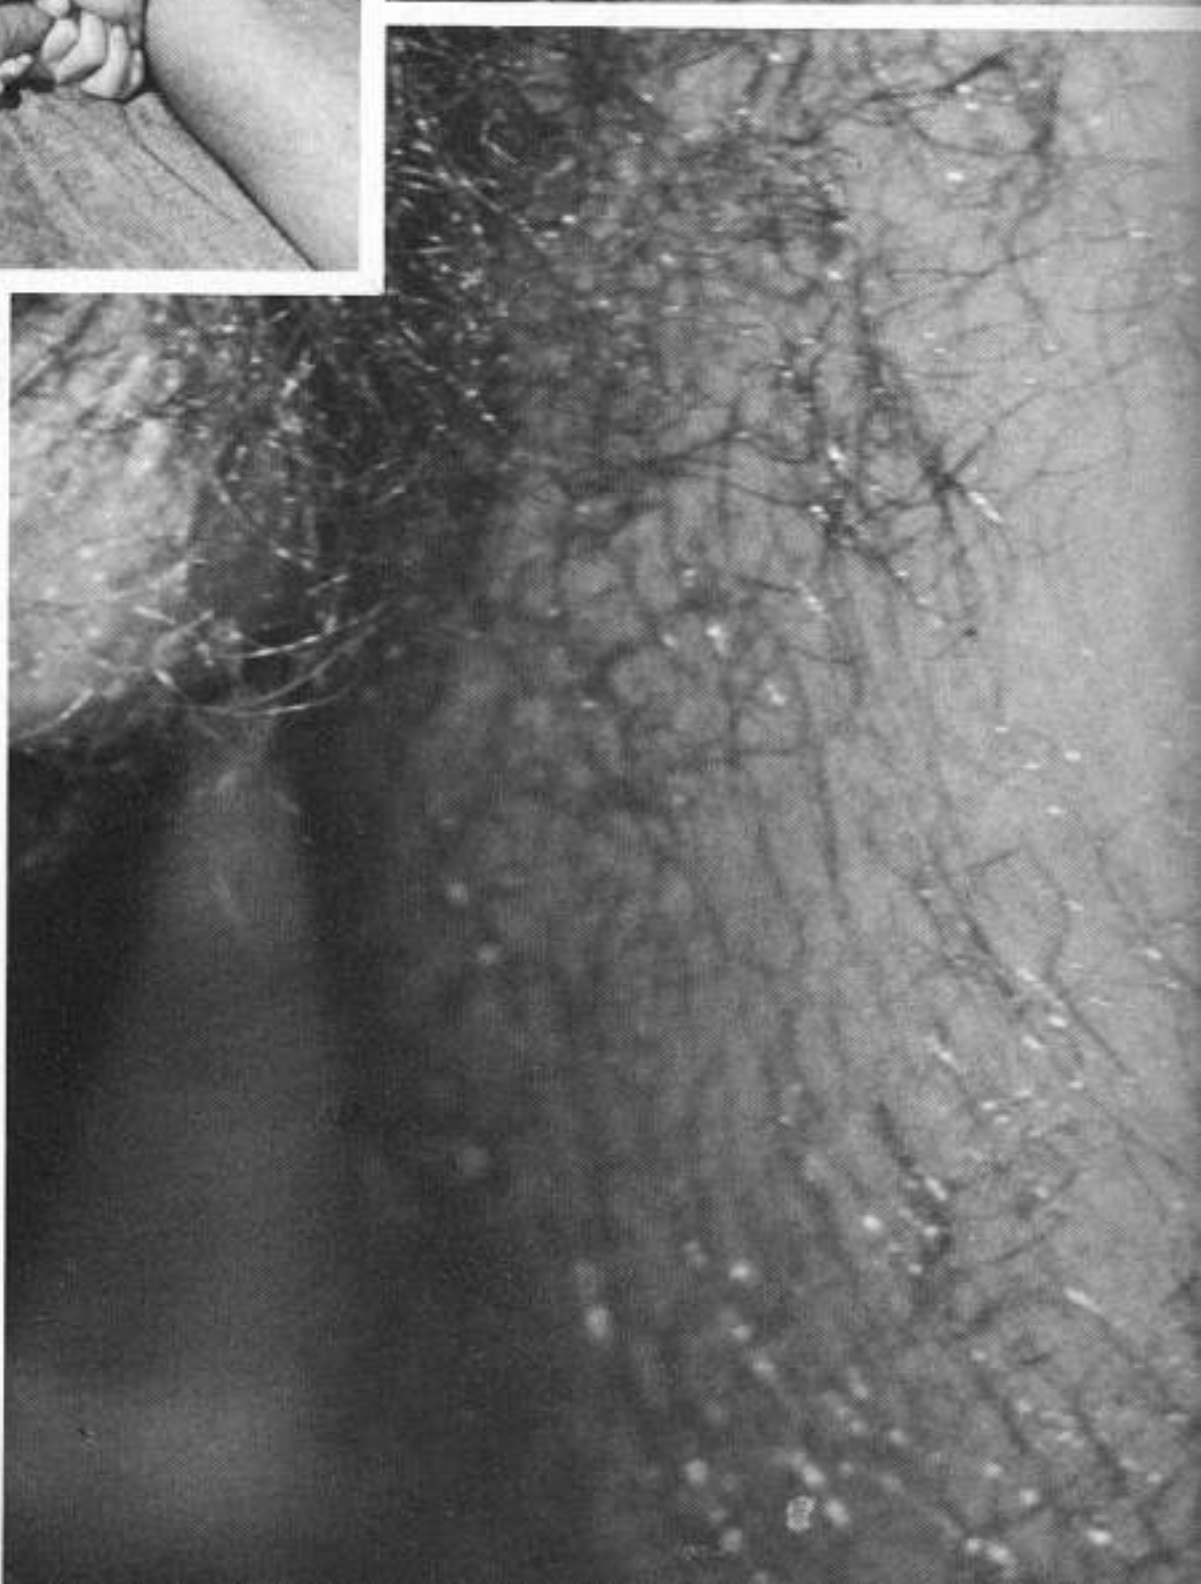
DON

We found this young man in a local gym pumping iron so we invited him to pump his meat for us. And pump he did. This kid really gets into jacking off. And at just 19 he delivers a full nine inches.

MICHAEL DELFINO

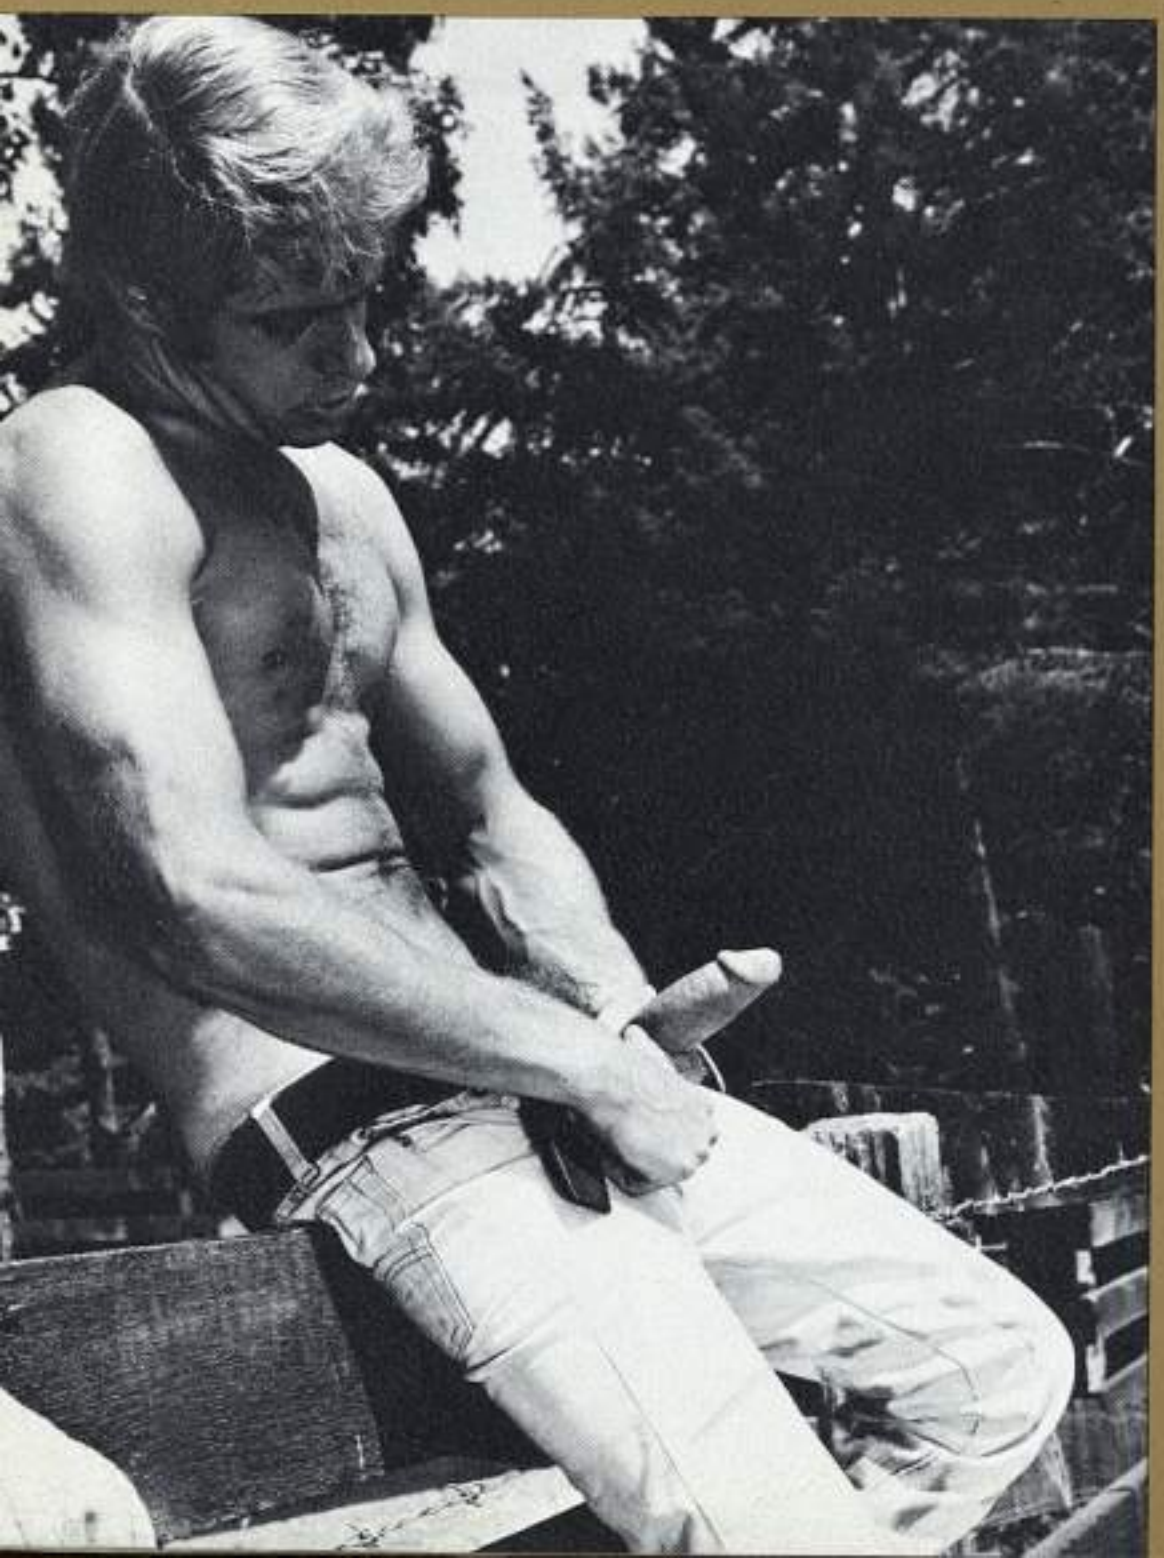


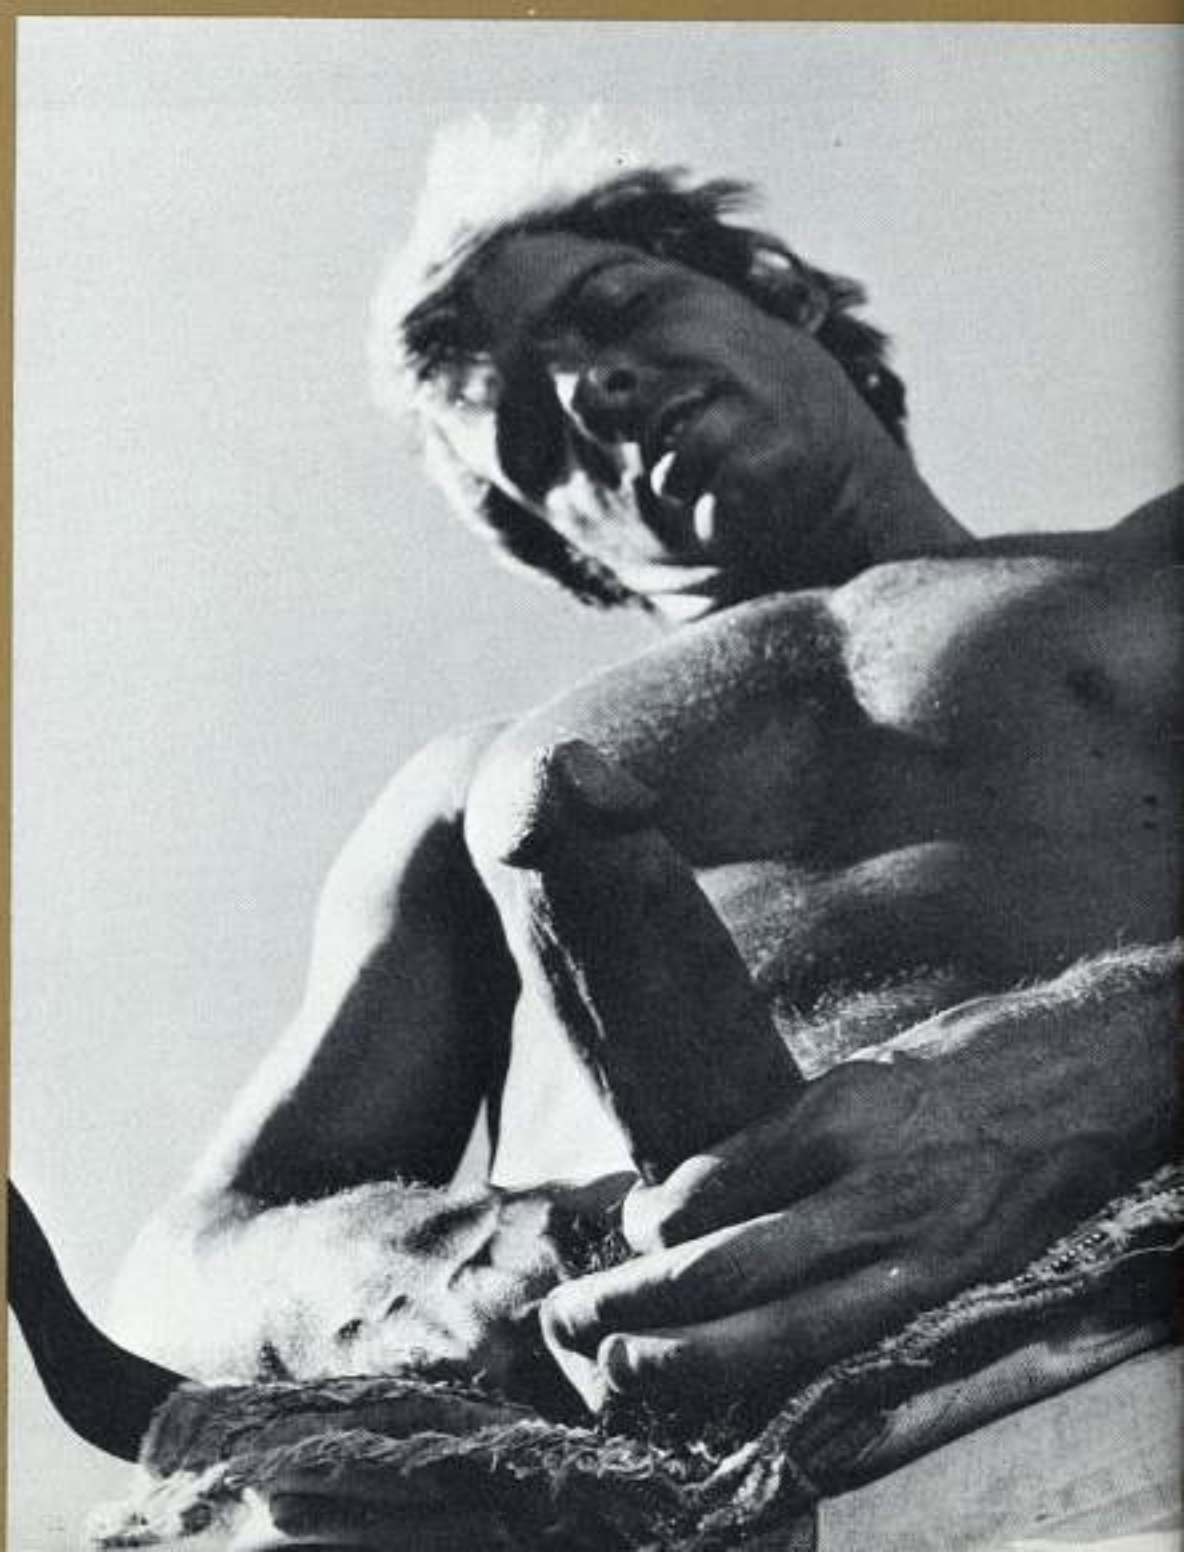




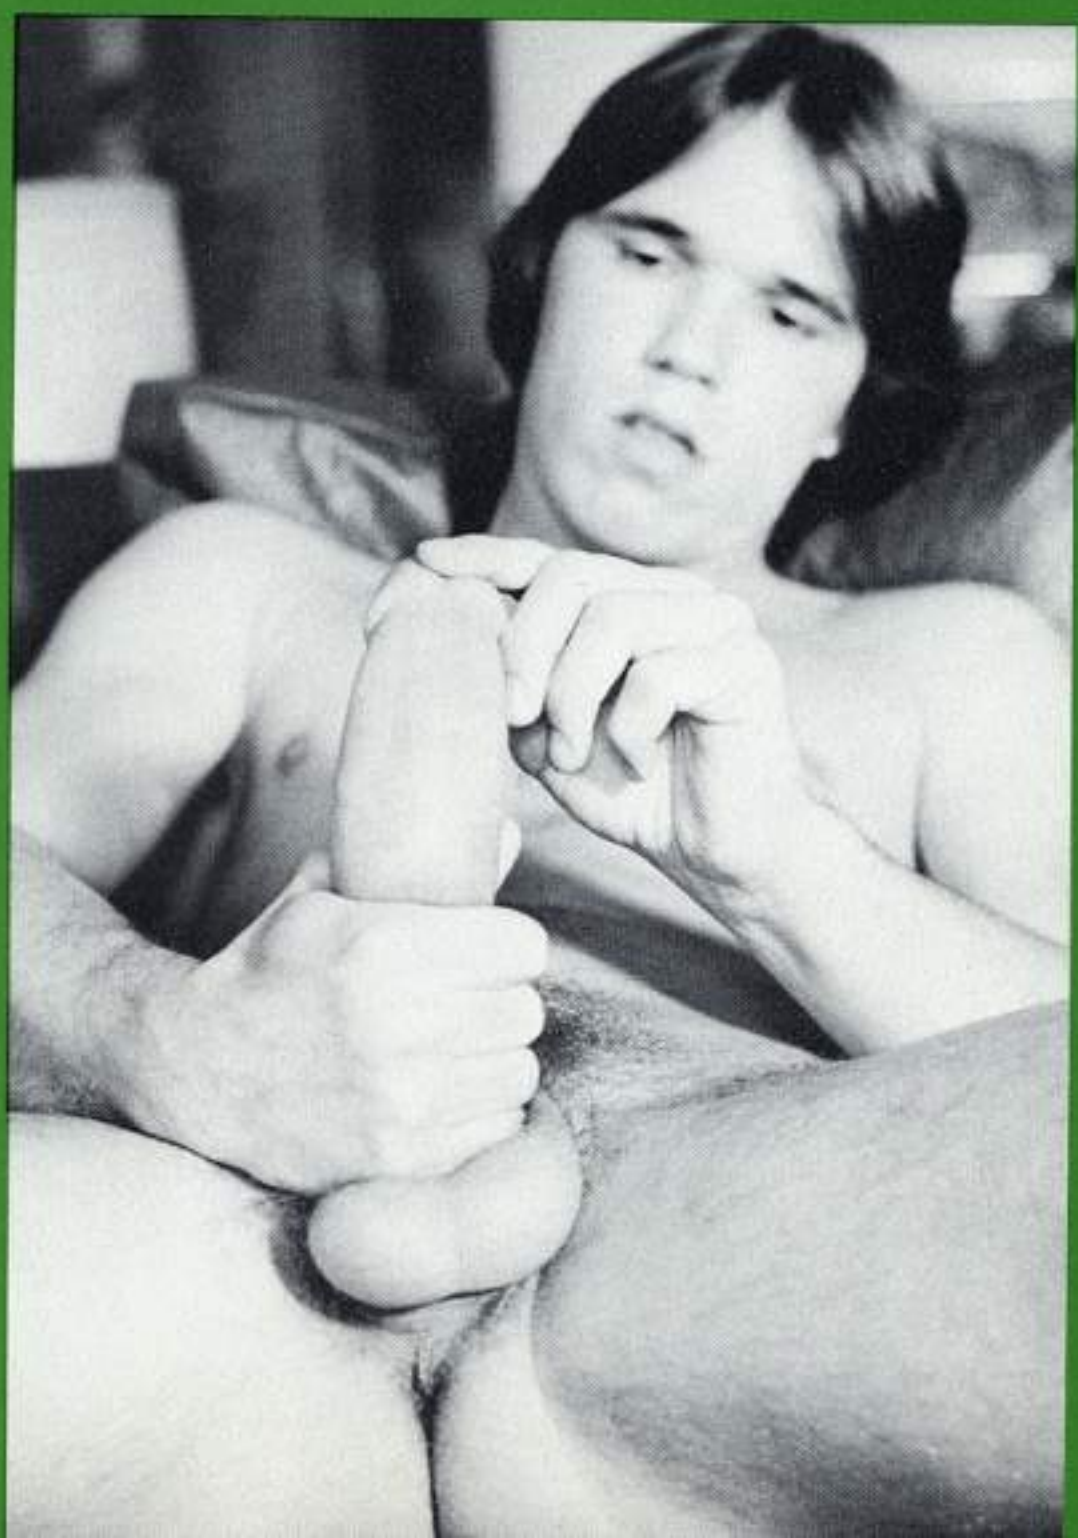
JACK WRANGLER

Here Jack gives you a good idea of what ranch life can really be like. He gives himself some wild handling as he pumps his nine inches.

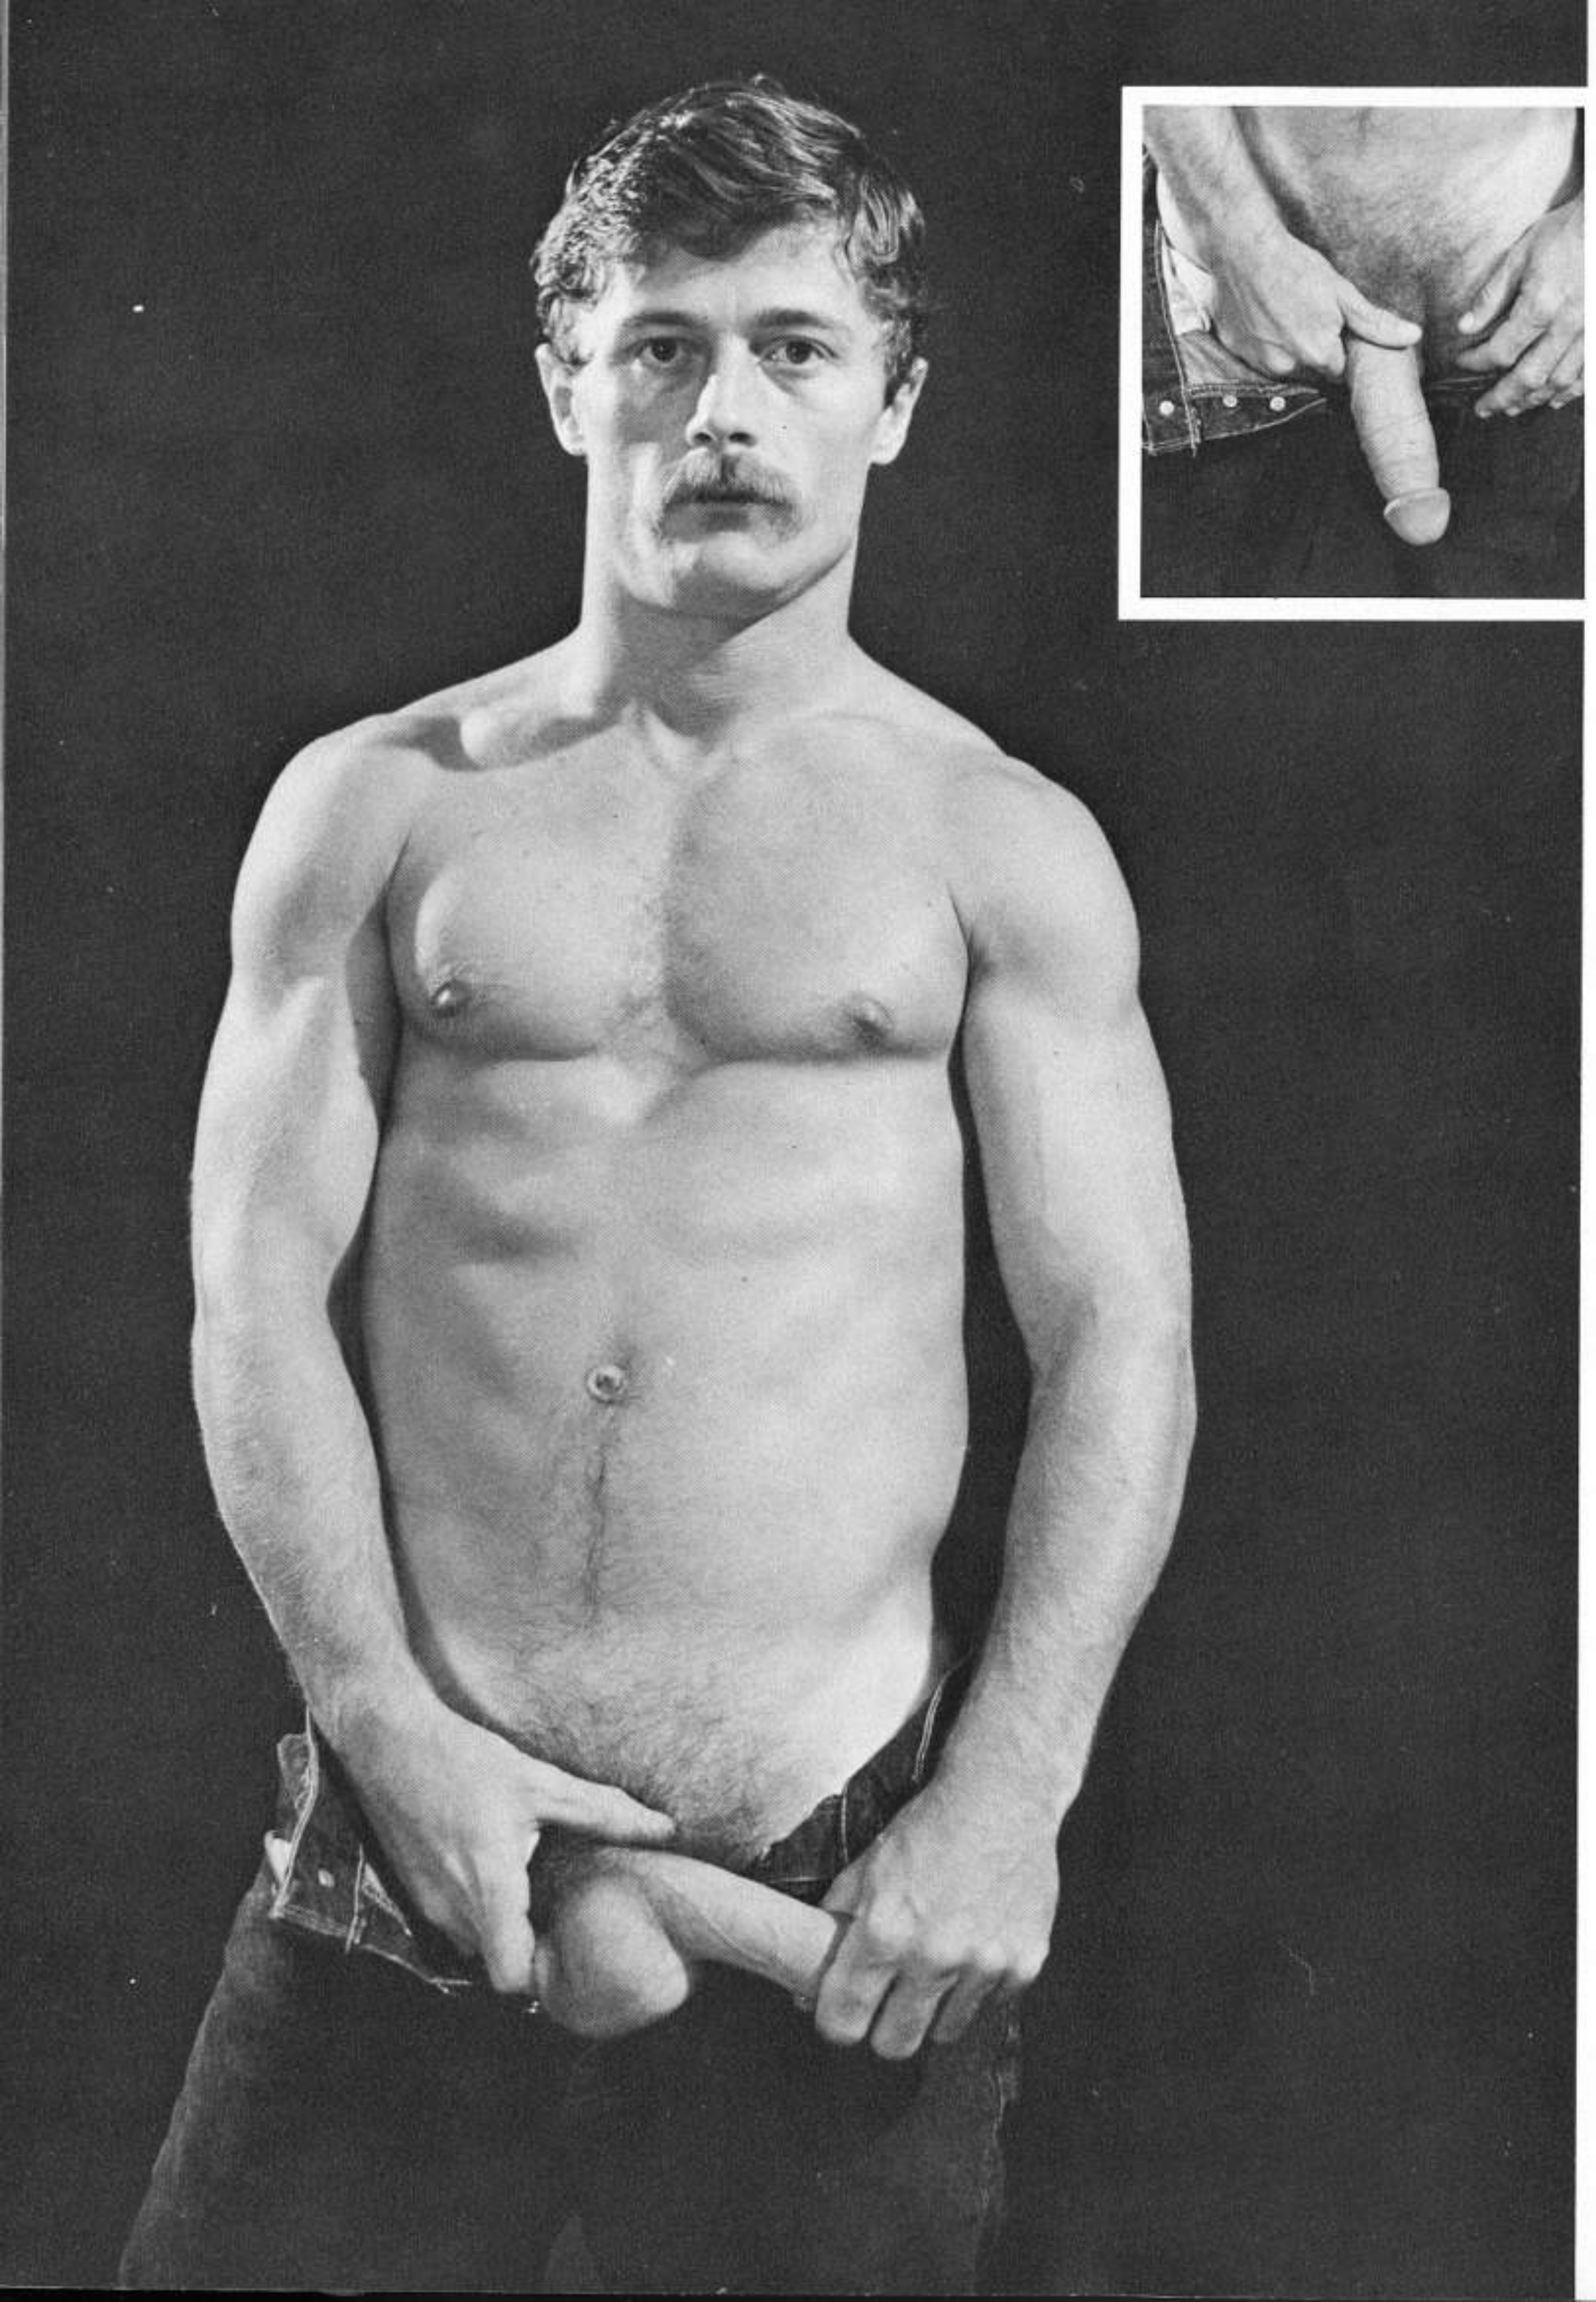




STEVE

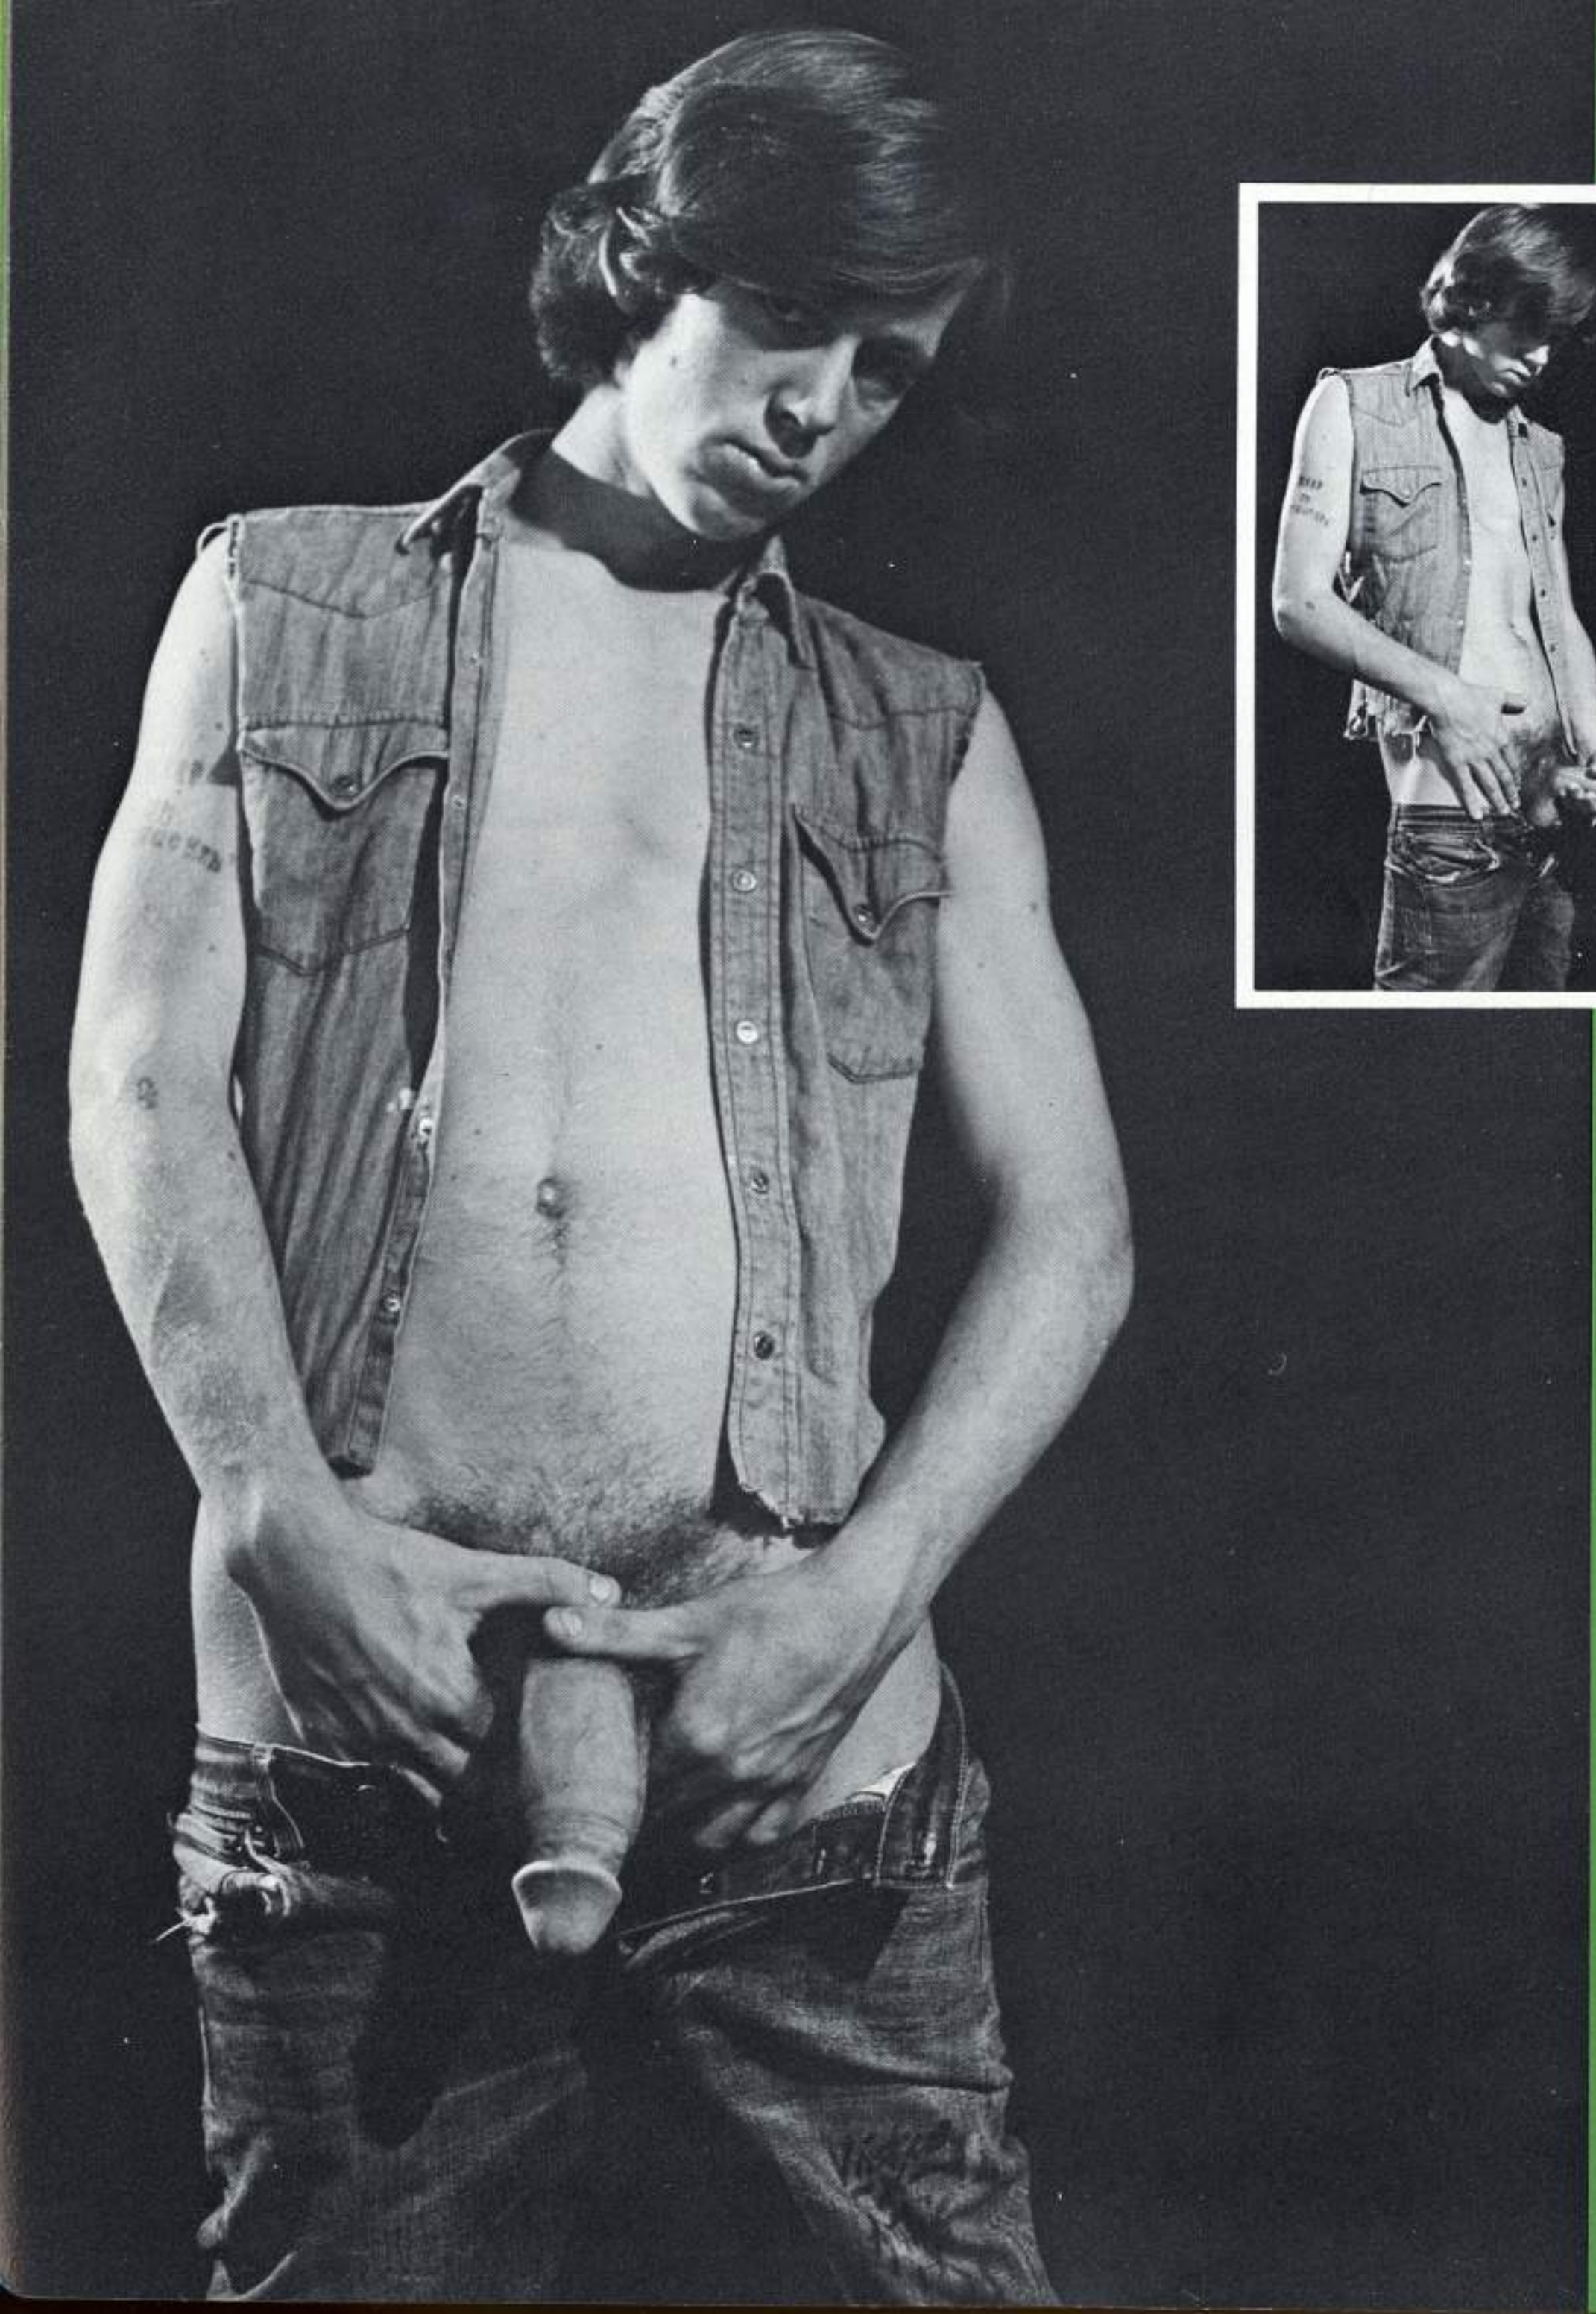


When we finished filming
another sequence with Steve
our camera crew began talking
about some past experiences
behind the scenes.
Steve's big cock got hard again,
and we barely had time to
load the camera up to
catch him really pounding
his thick meat.



PHILLIP

Phillip comes to us
to do his first
solo.
Stripping to the waist
and standing in his
faded jeans, he takes
us on a trip we
can only imagine
while watching a
great body and
big cock.



JAKE

18 years old, large cock, torn levis, and leather jacket!
Take a good look while Jake does good things to himself. You can just imagine what went on when the cameras stopped filming.

Here Jake gives
us a good shot of his
hand action as he
slowly pumps his
big meat to a pounding
climax.
